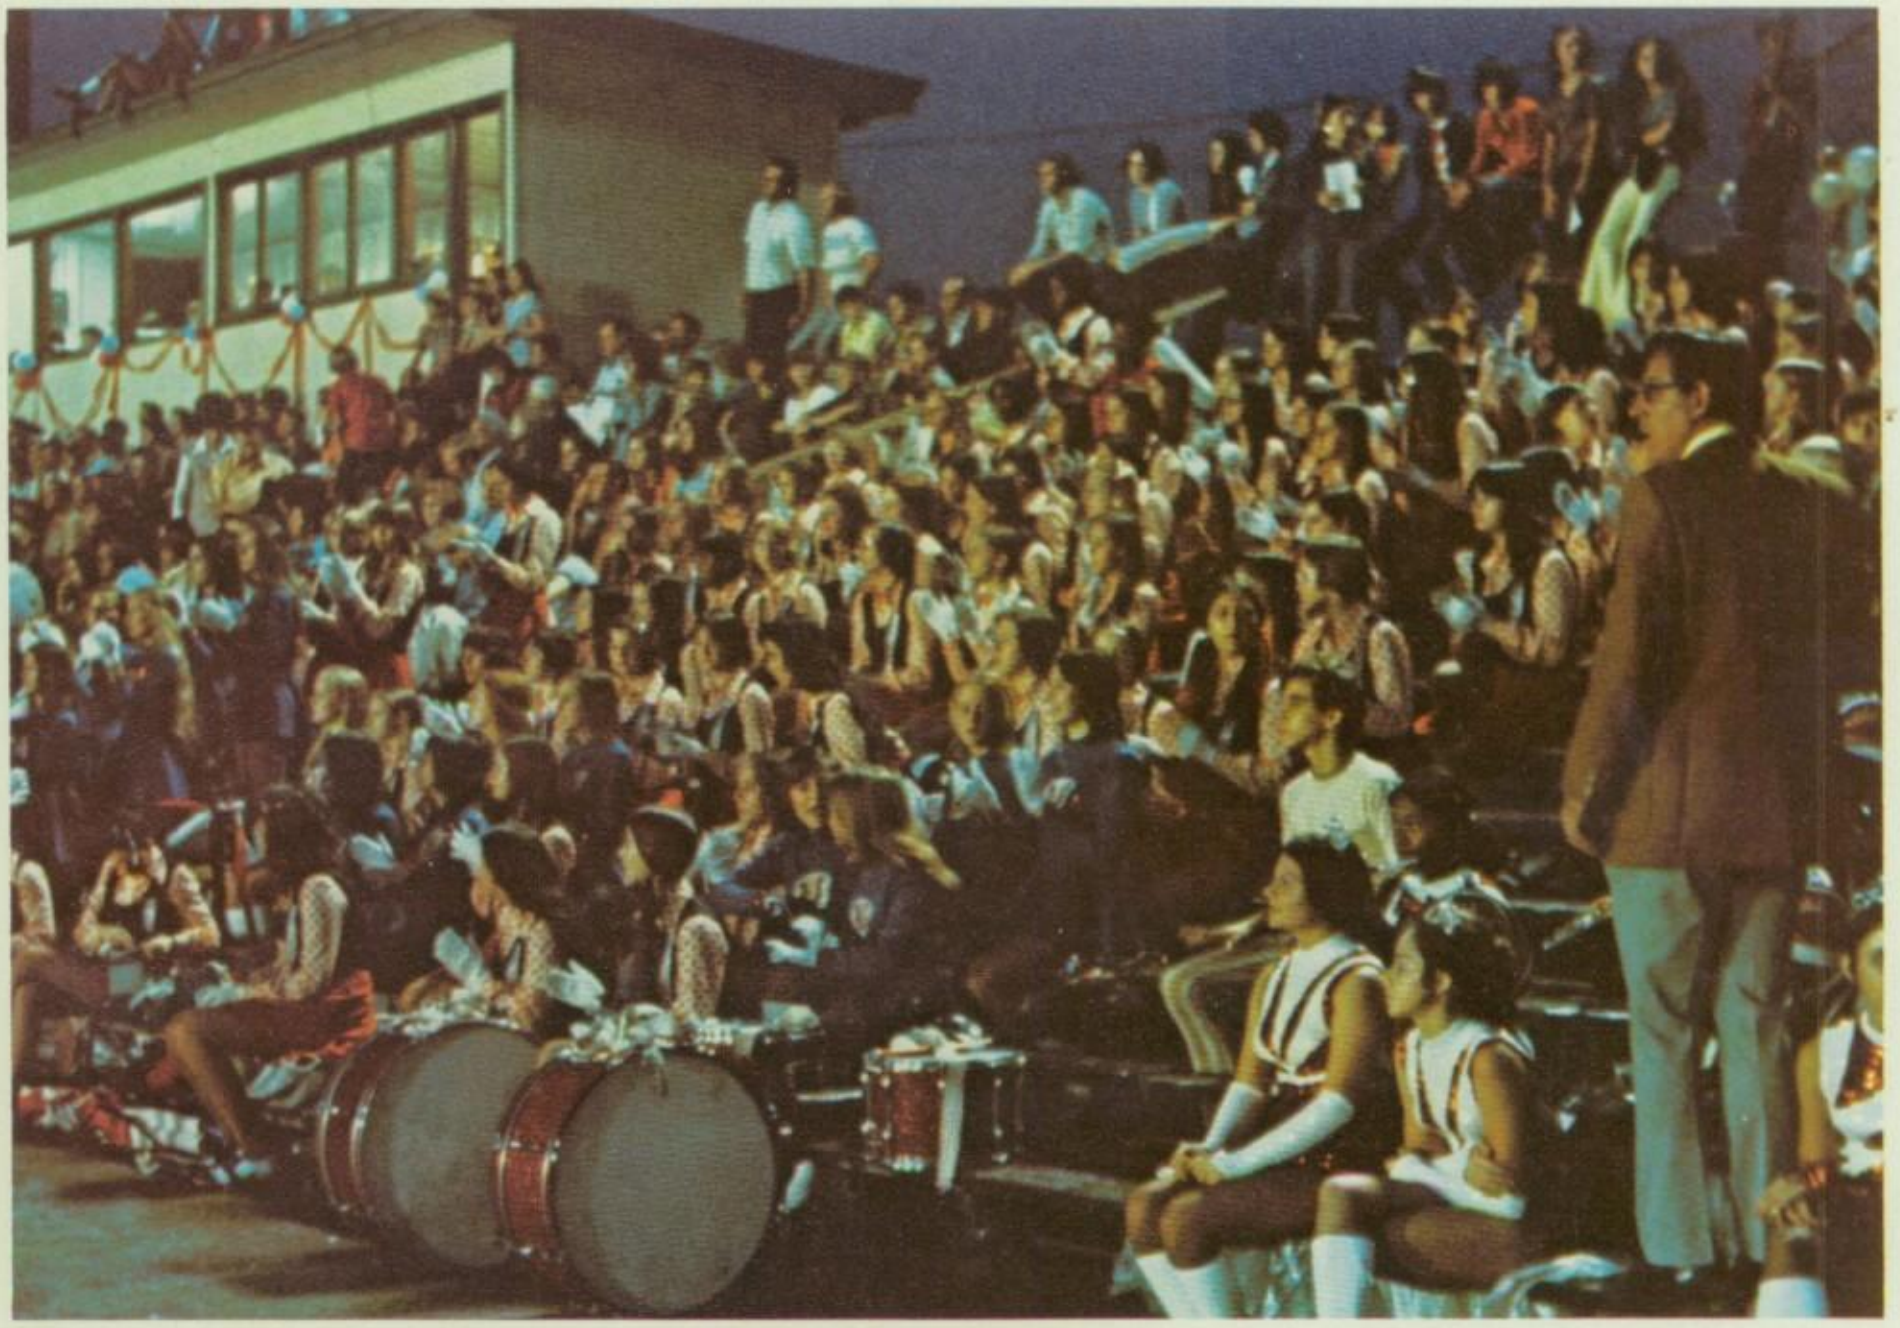
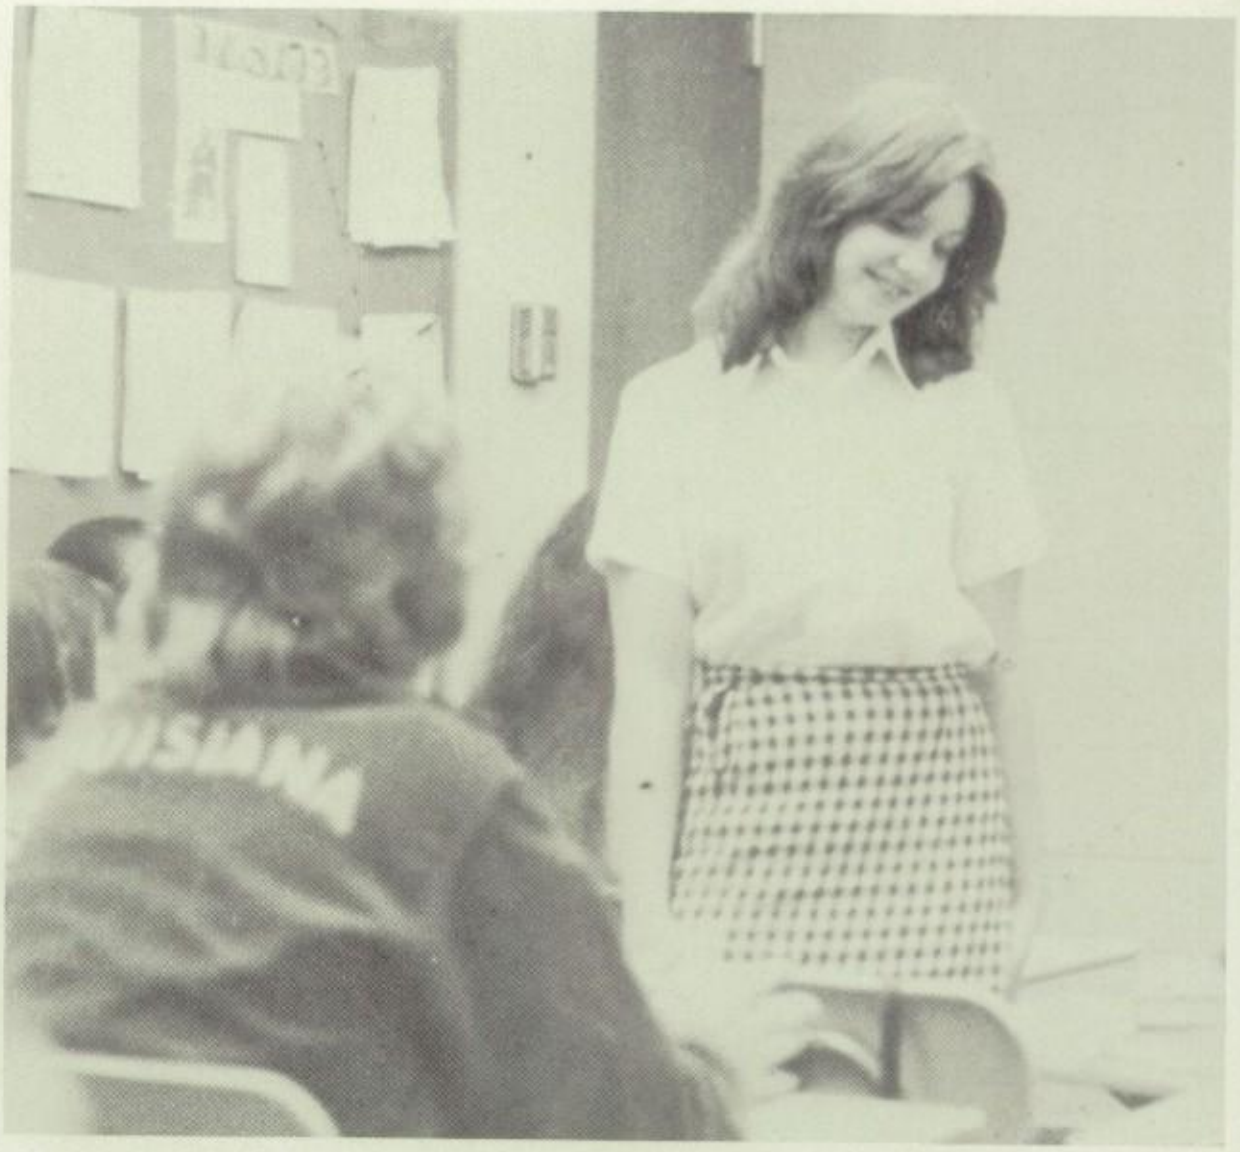
Mem'ries — light the corners of my mind. Misty water color mem'ries — of the way we were.

The Tribesman is a book of memories. It must record the activities we participate in, the spirit of our student body, and the faces of our friends. Years from now, when the memory of 1975 has faded, the Tribesman will still be able to show us the way we were.



A smile is a means of communicating. With a smile you can say "Hello," "I like you," or "I'm just happy to be alive!" Between friends, a smile says all that plus . . . "I understand you." A smile is a good thing to remember.

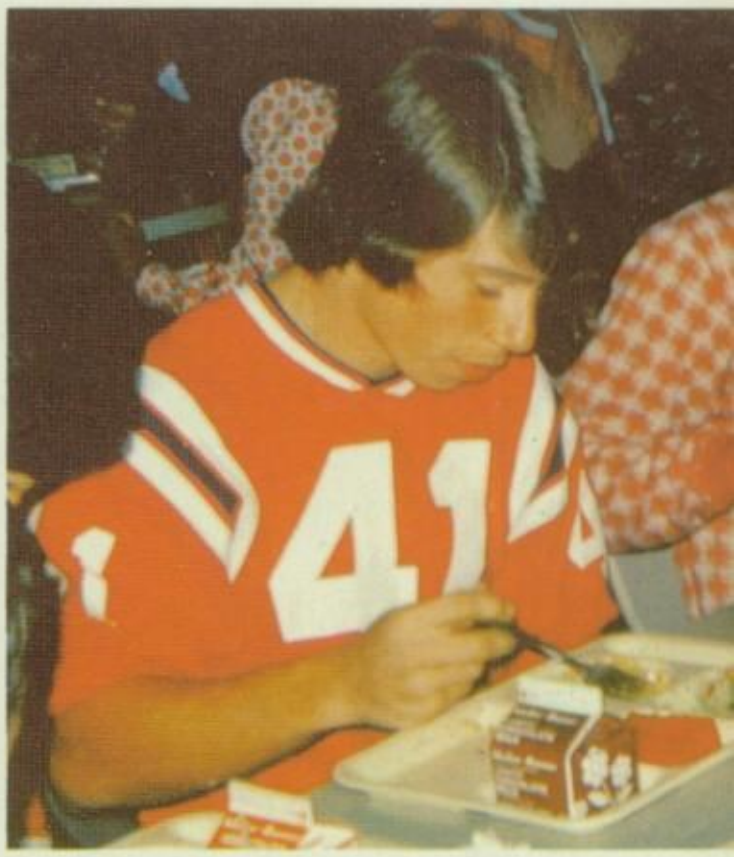


Scattered pictures — of the smiles we left behind, smiles we gave to one another —

for the way we were.

Can it be that
it was all so
simple then, or
has time
rewritten
every line?
If we had a
chance to do it
all again?
tell me
would we?
could we?

No school year passes without a problem. The problem may be a particularly rough question in physics, a song to be learned in chorus, or a difficulty with a class schedule. These problems are not always as serious as they seem. As time passes, we may remember today as the "simple" time.



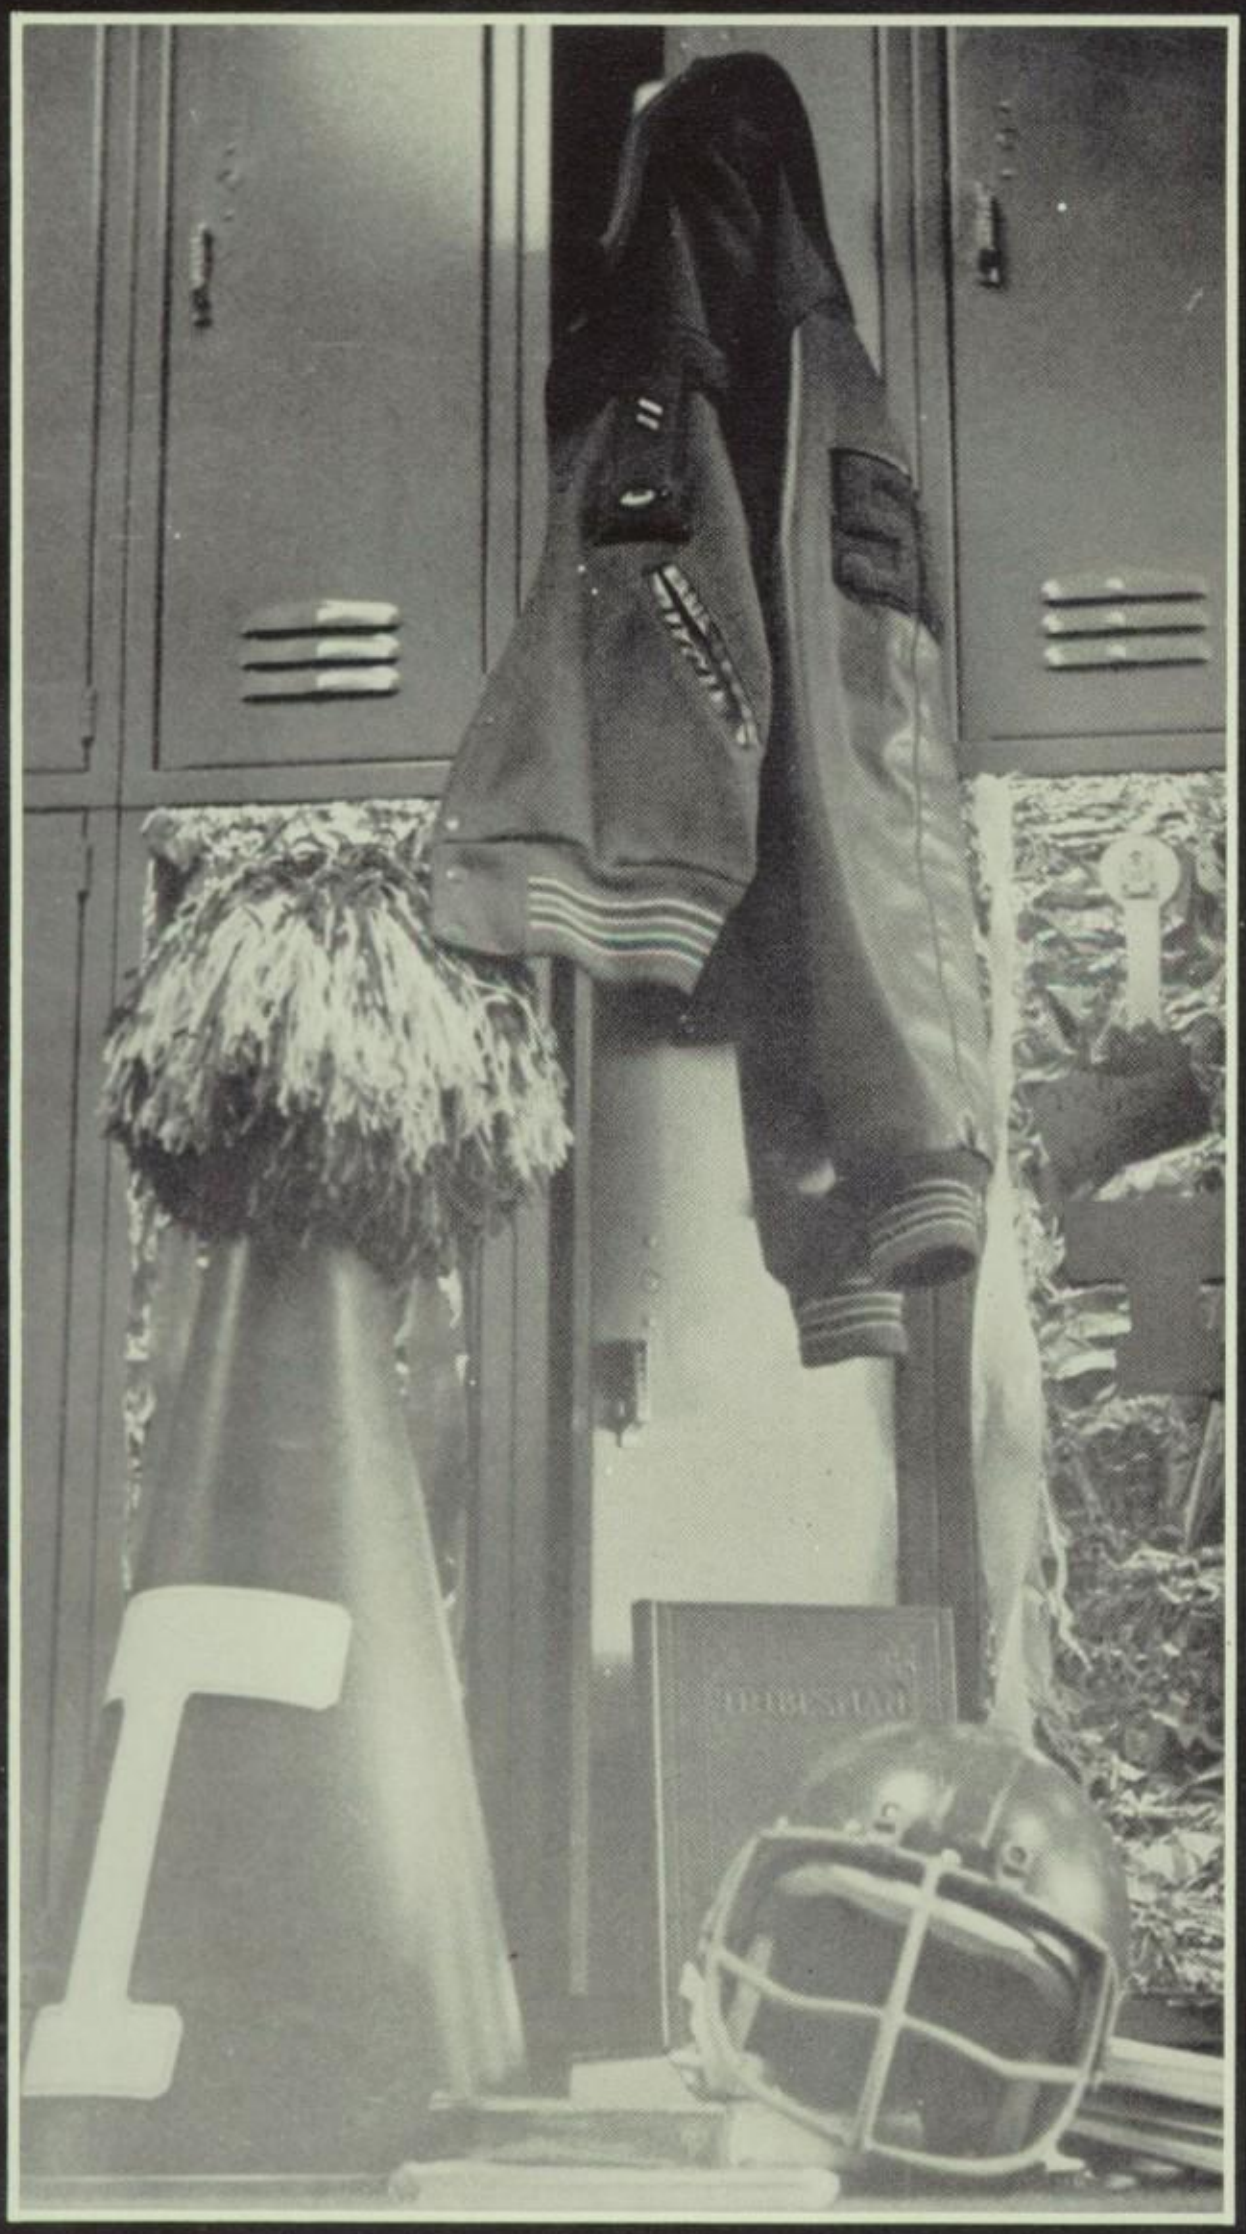
Mem'ries —
may be beautiful, and yet,
what's too painful to
remember —
we simply choose
to forget.

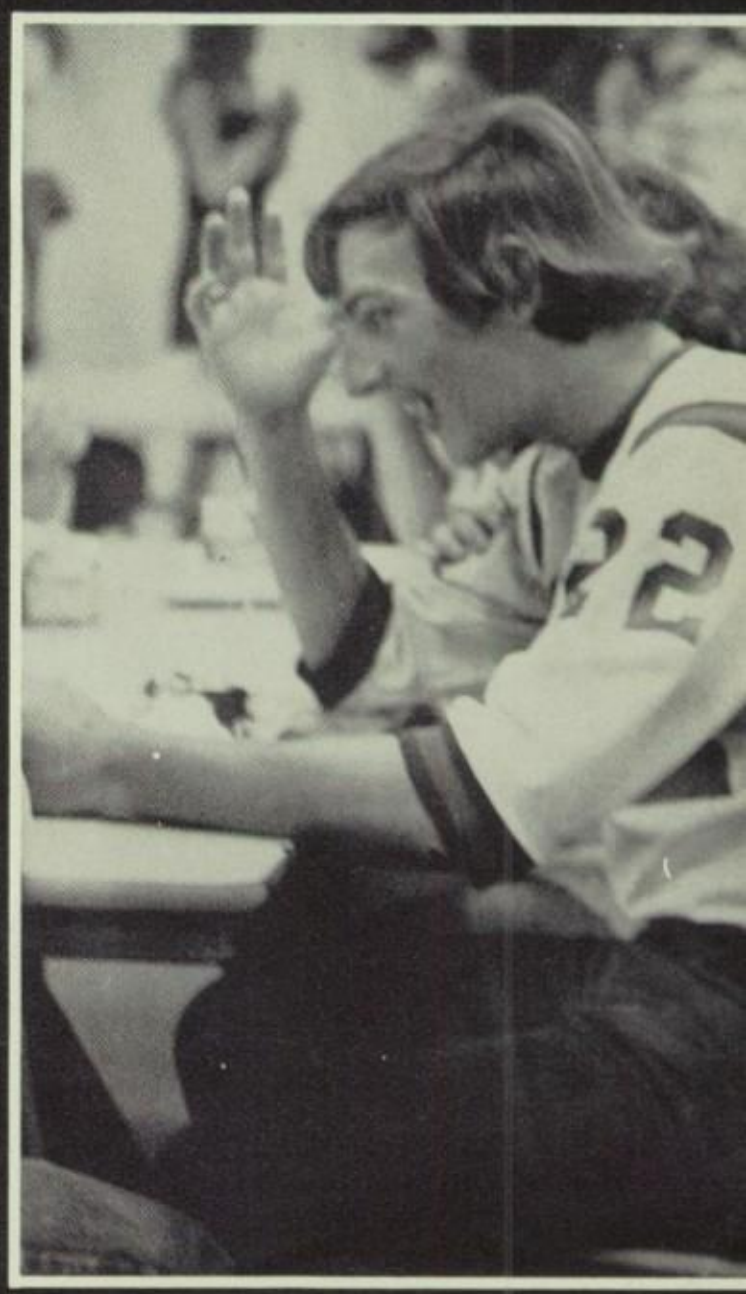
It is not important whether we forget sad memories because we want to, or because they are not really as bad as they seem. It is only important that we strive to remember the good things . . . and there is some good in every experience.

So it's the
laughter
we will
remember
whenever we
remember —
the way
we were;
The way
we were.

Other memories are beautiful, but one memory stands out from all others. It is the magical memory of good times . . . it is the memory of laughter. Whether a silly giggle or a belly laugh that makes your side ache, laughter conquers all.

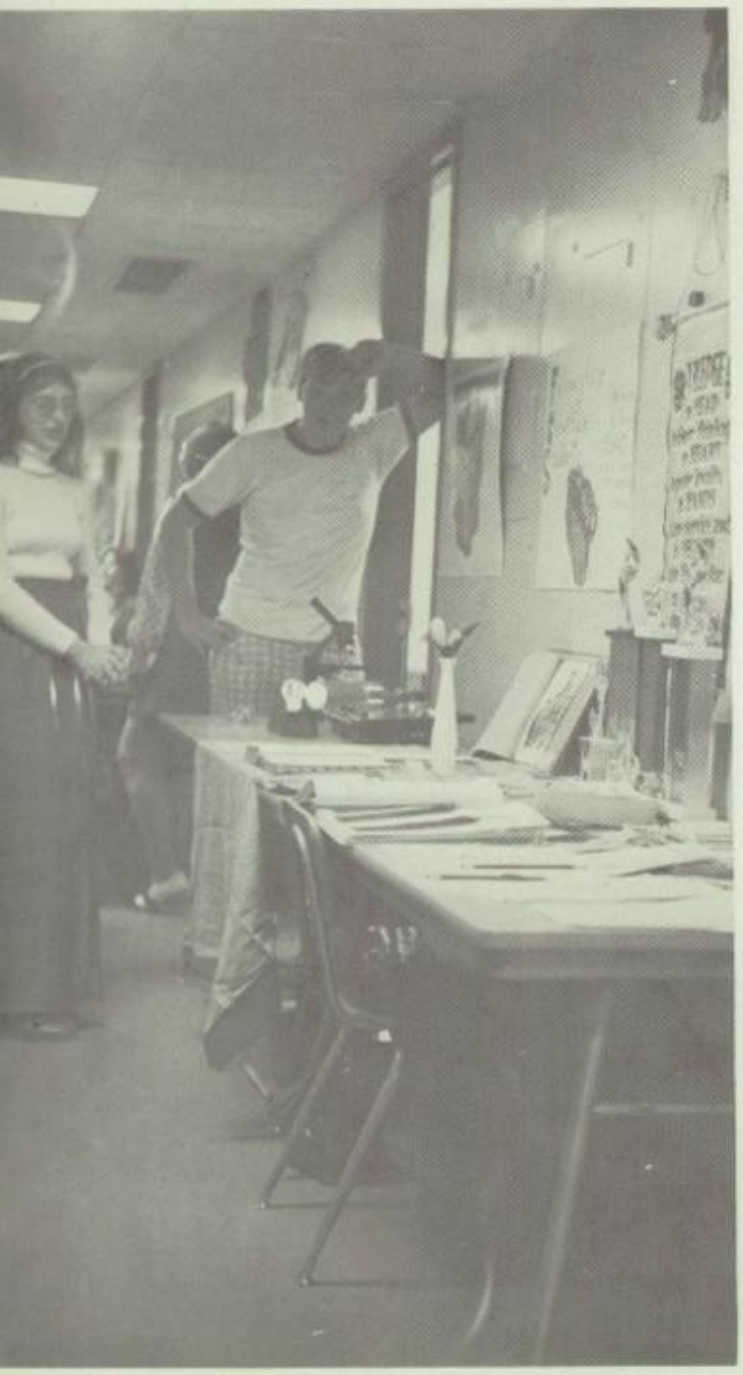
Student Life

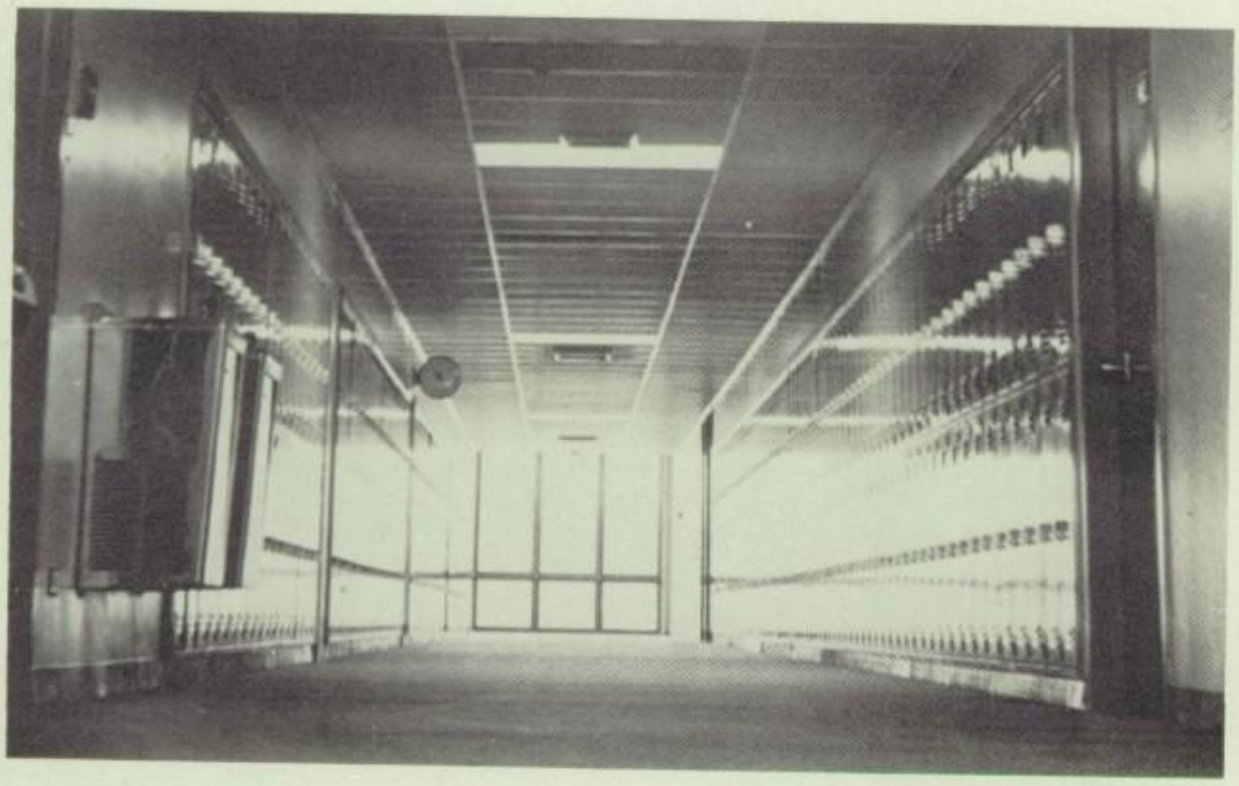




New Phase Completed

In conjunction with the opening of Phase II of Tioga High School, an open house was sponsored by the BETA club. Each club was given the chance to present their purpose and activities to the public through a display. Over twenty clubs participated. Also, teachers and parents had the chance to meet one another. Thanks to the efforts of many people, both faculty and parents, the open house was a big success.





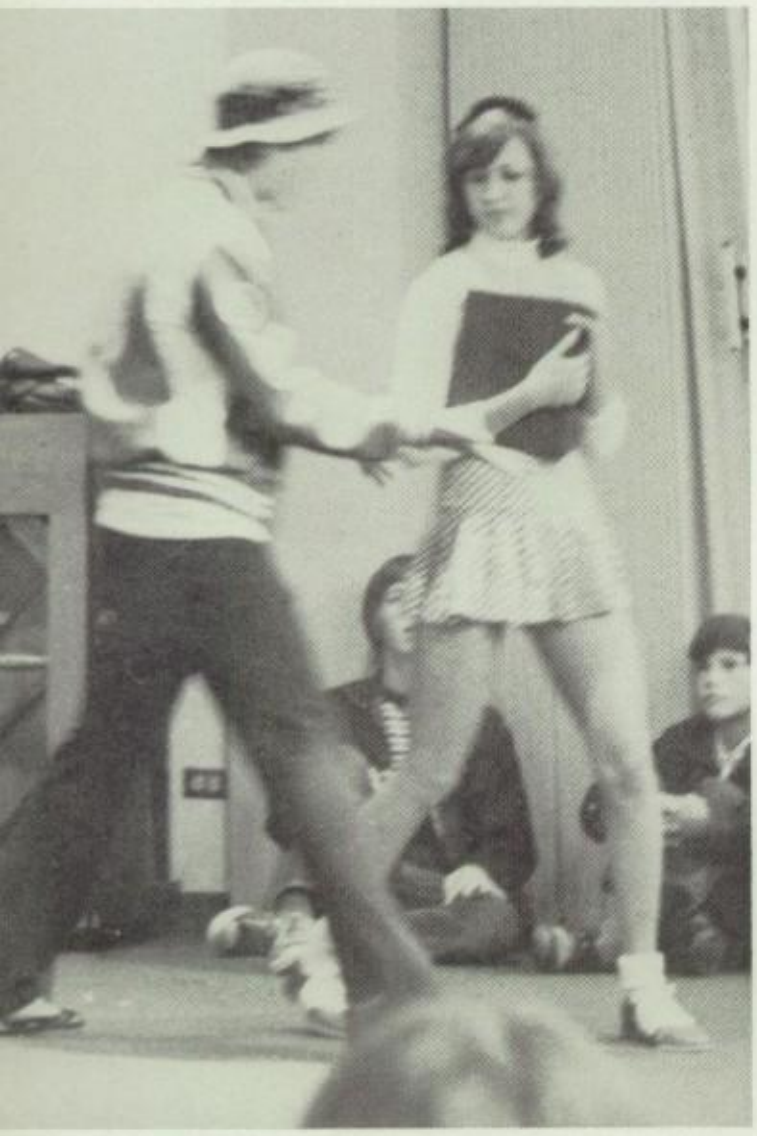
OPPOSITE, FAR LEFT: Katie Walker and Billy Stinson view the club displays. OPPOSITE, LEFT: Peggy Middleton and Joan Brunson patiently wait for visitors to register. LEFT: And who is this? Grandma and Grandpa Jones? At least Lori Dunn and Jay Mayeux are trying to make Gina Villali and Connie Cooper appear that way.

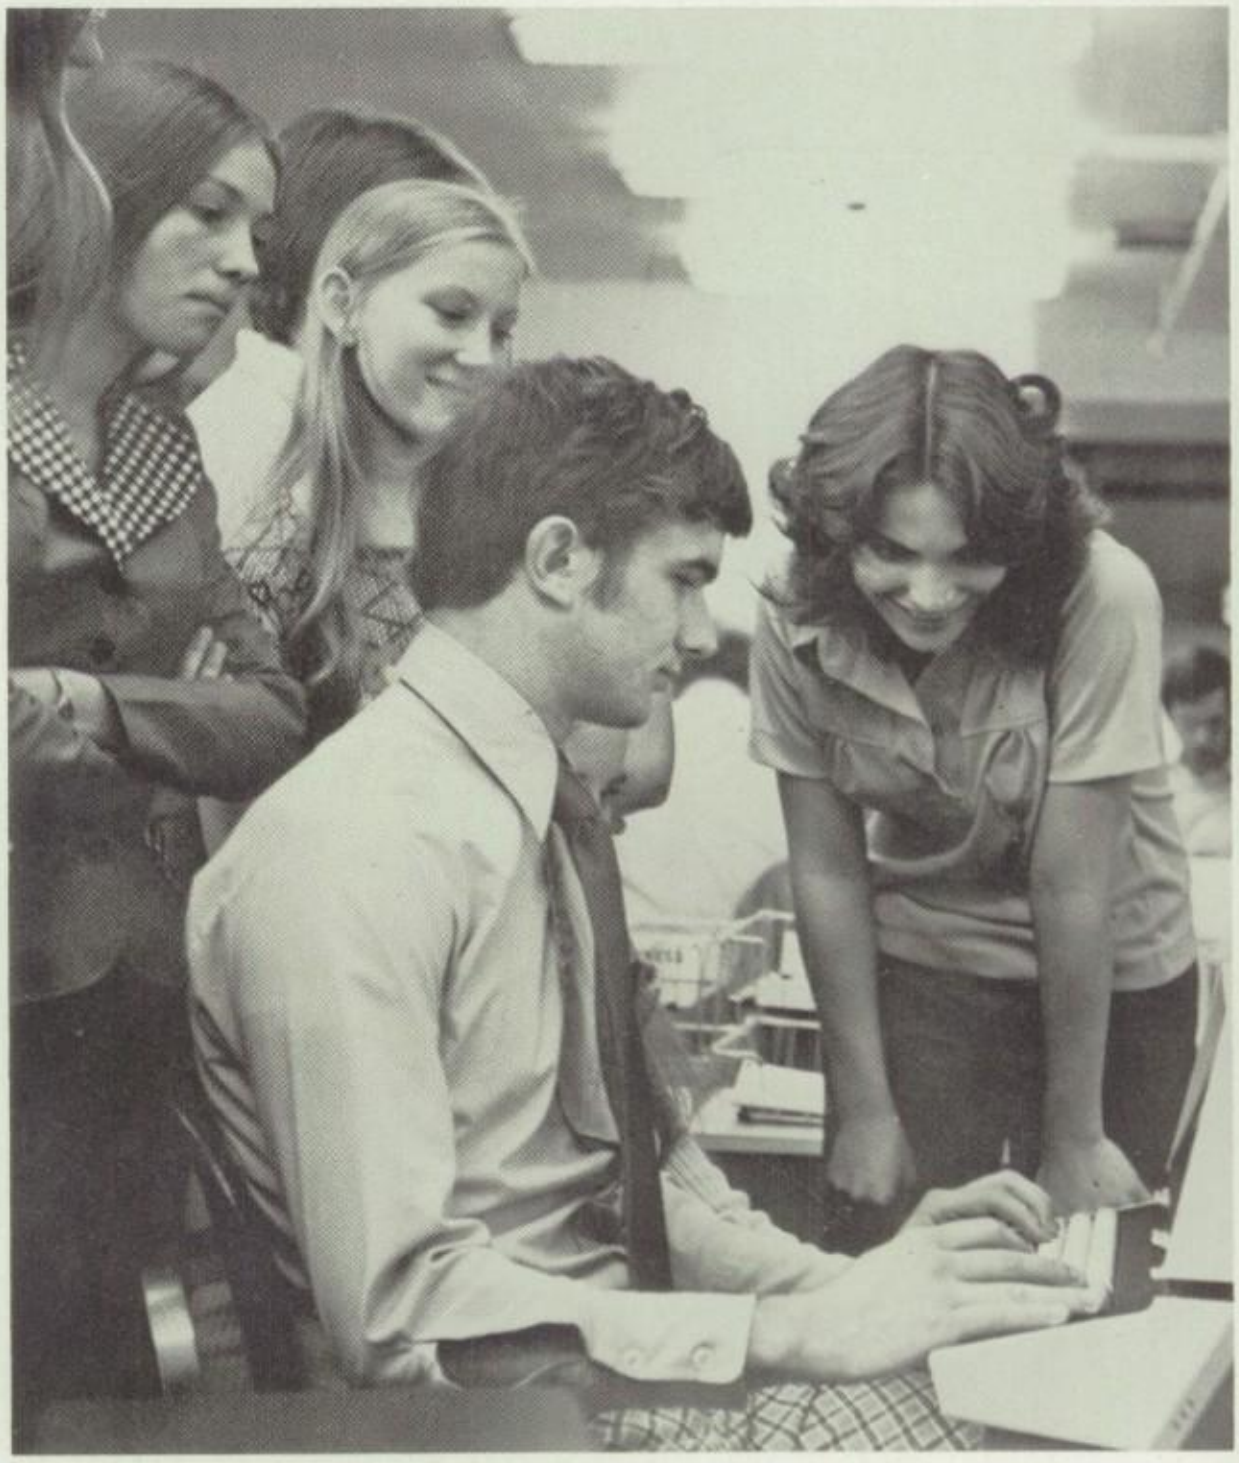
Publications

. . .

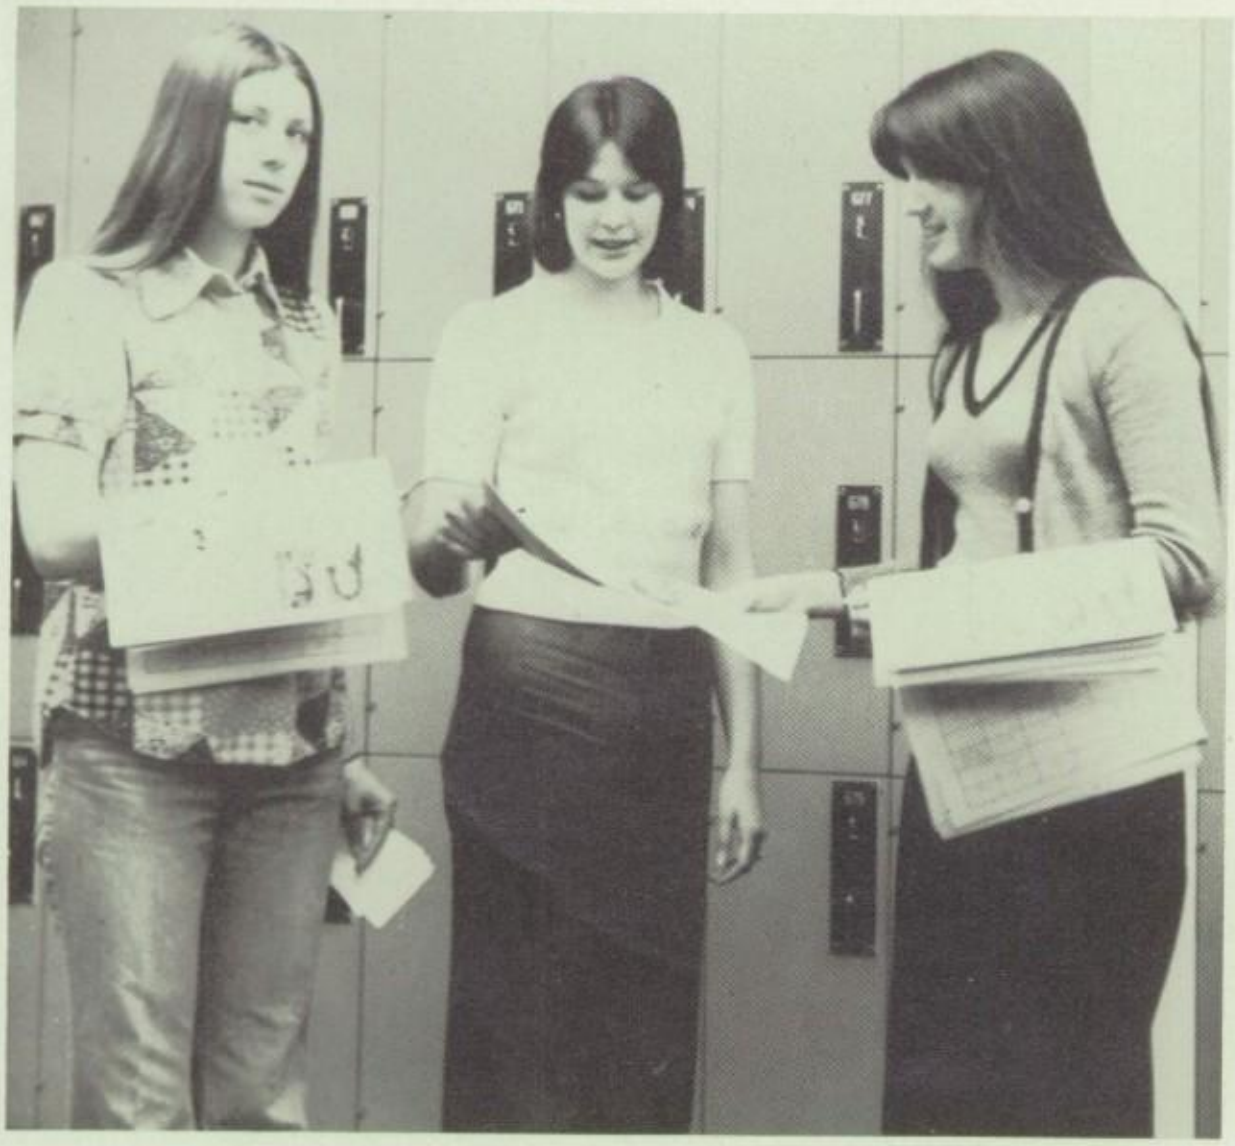
Hard at Work the Whole Year Long

From the beginning of the year to the last deadline, the "Smoke Signals" and the TRIBESMAN staffs strive to produce quality publications. Often, their hard work is not recognized, but they still work to present the true spirit of THS on paper.





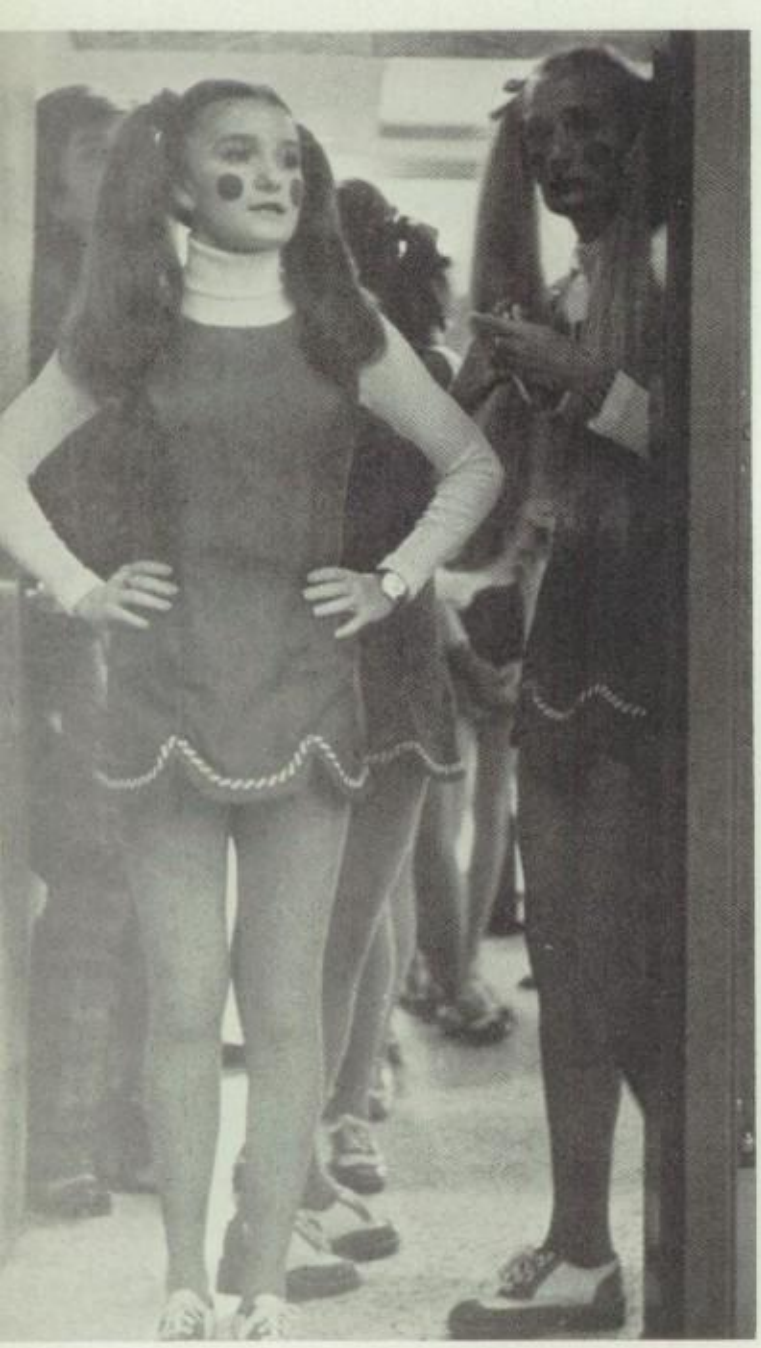
TOP: Janice Maxey assisted with the signing out of annuals. ABOVE: Betty McKay and Lon Harris portrayed Charlie Brown and Lucy in the yearbook assembly. RIGHT: The "Smoke Signals" staff visited the "Town Talk" to learn about the paper.



TOP: Everyone enjoys signing annuals. ABOVE, LEFT: Selling the paper is also the job of the "Smoke Signals" staff. ABOVE, RIGHT: Kary Head and Charles Rogers portrayed two students in the yearbook assembly.

Spirit Is High at THS

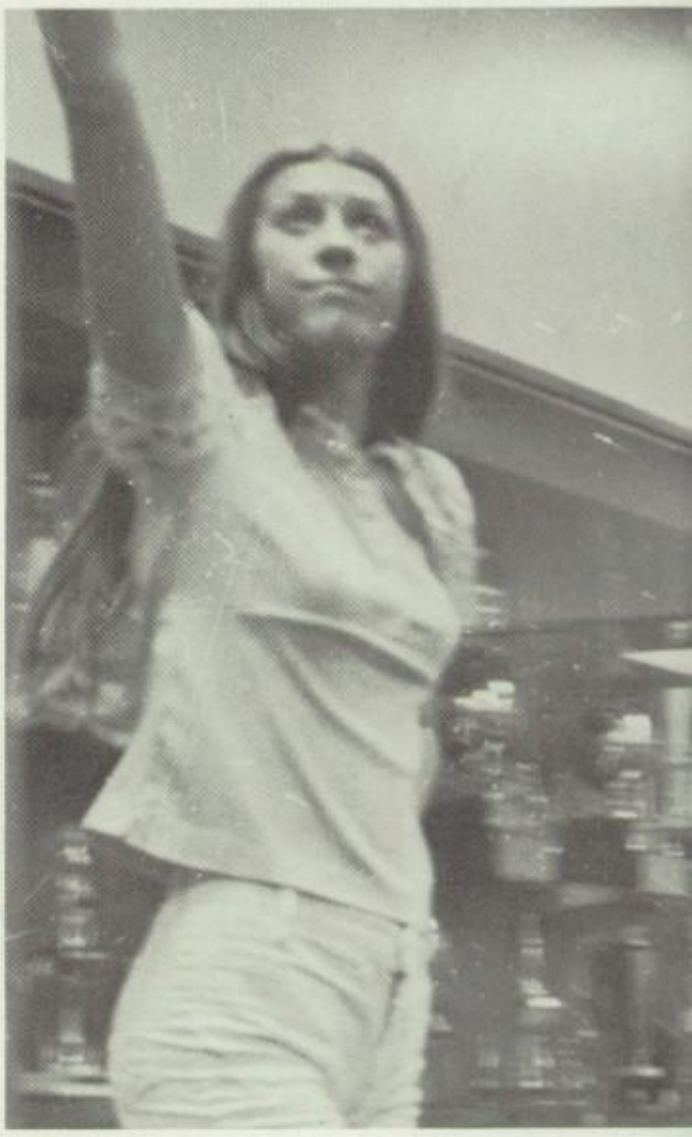
"Drive Dixie Down," "Top the Tigers," a ragtime routine, and pies in the faces of our new coaches. All our way of boosting spirit . . . and you can see that it really worked! Our new gym was really initiated with cries of "KILL," "GO," and "FIGHT," not to mention the music of our band.

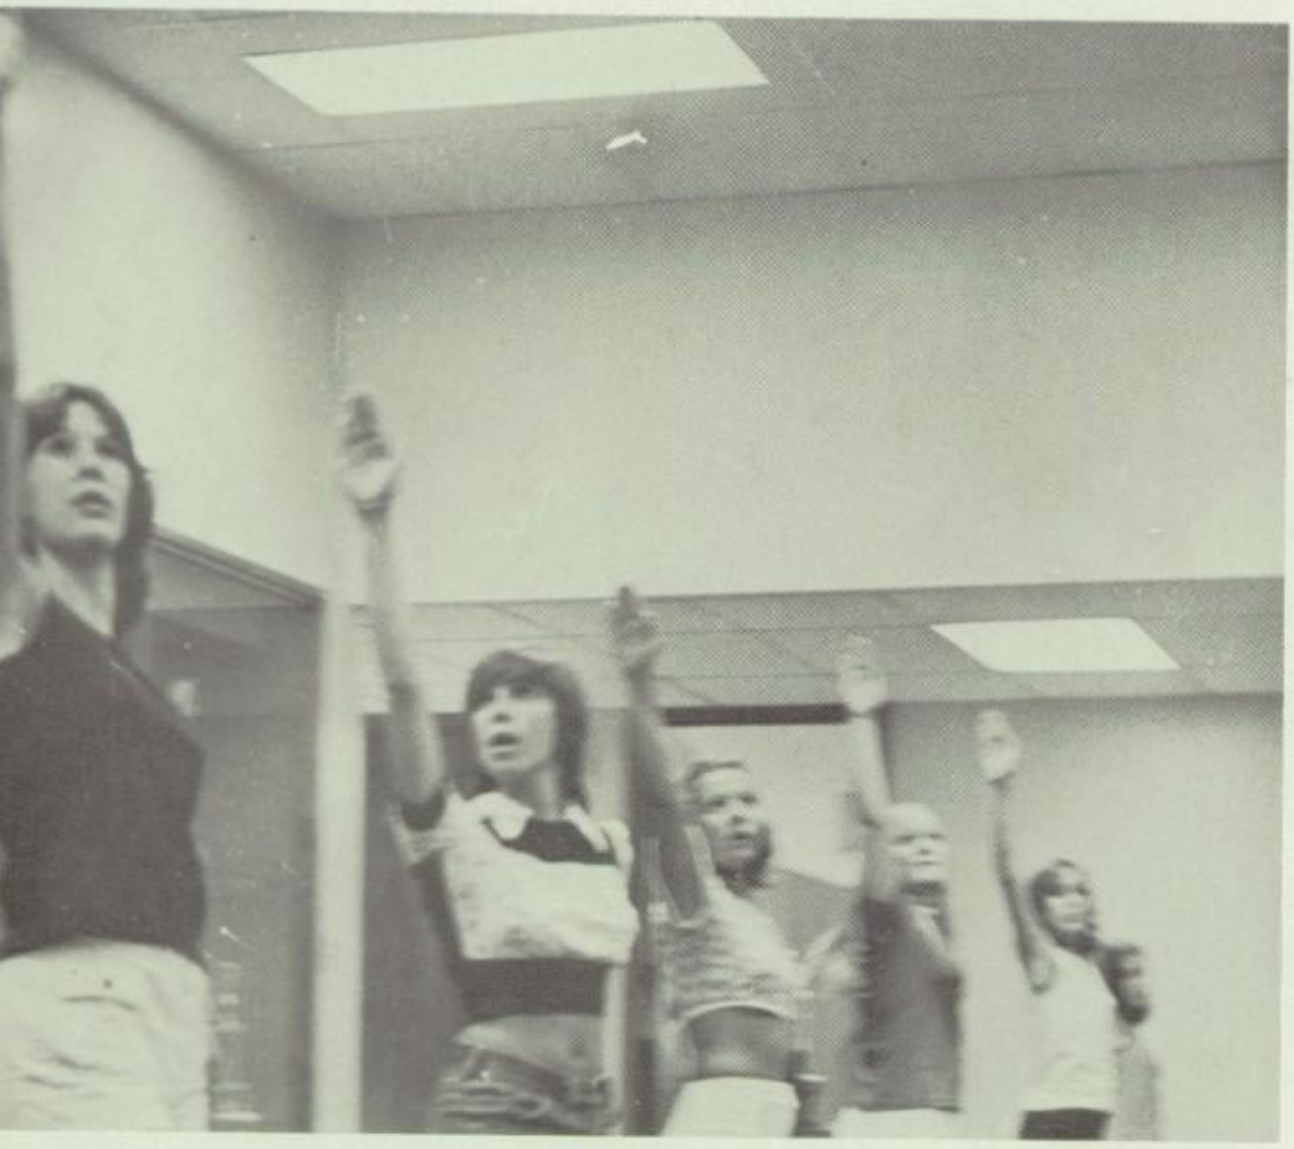


School Is Out

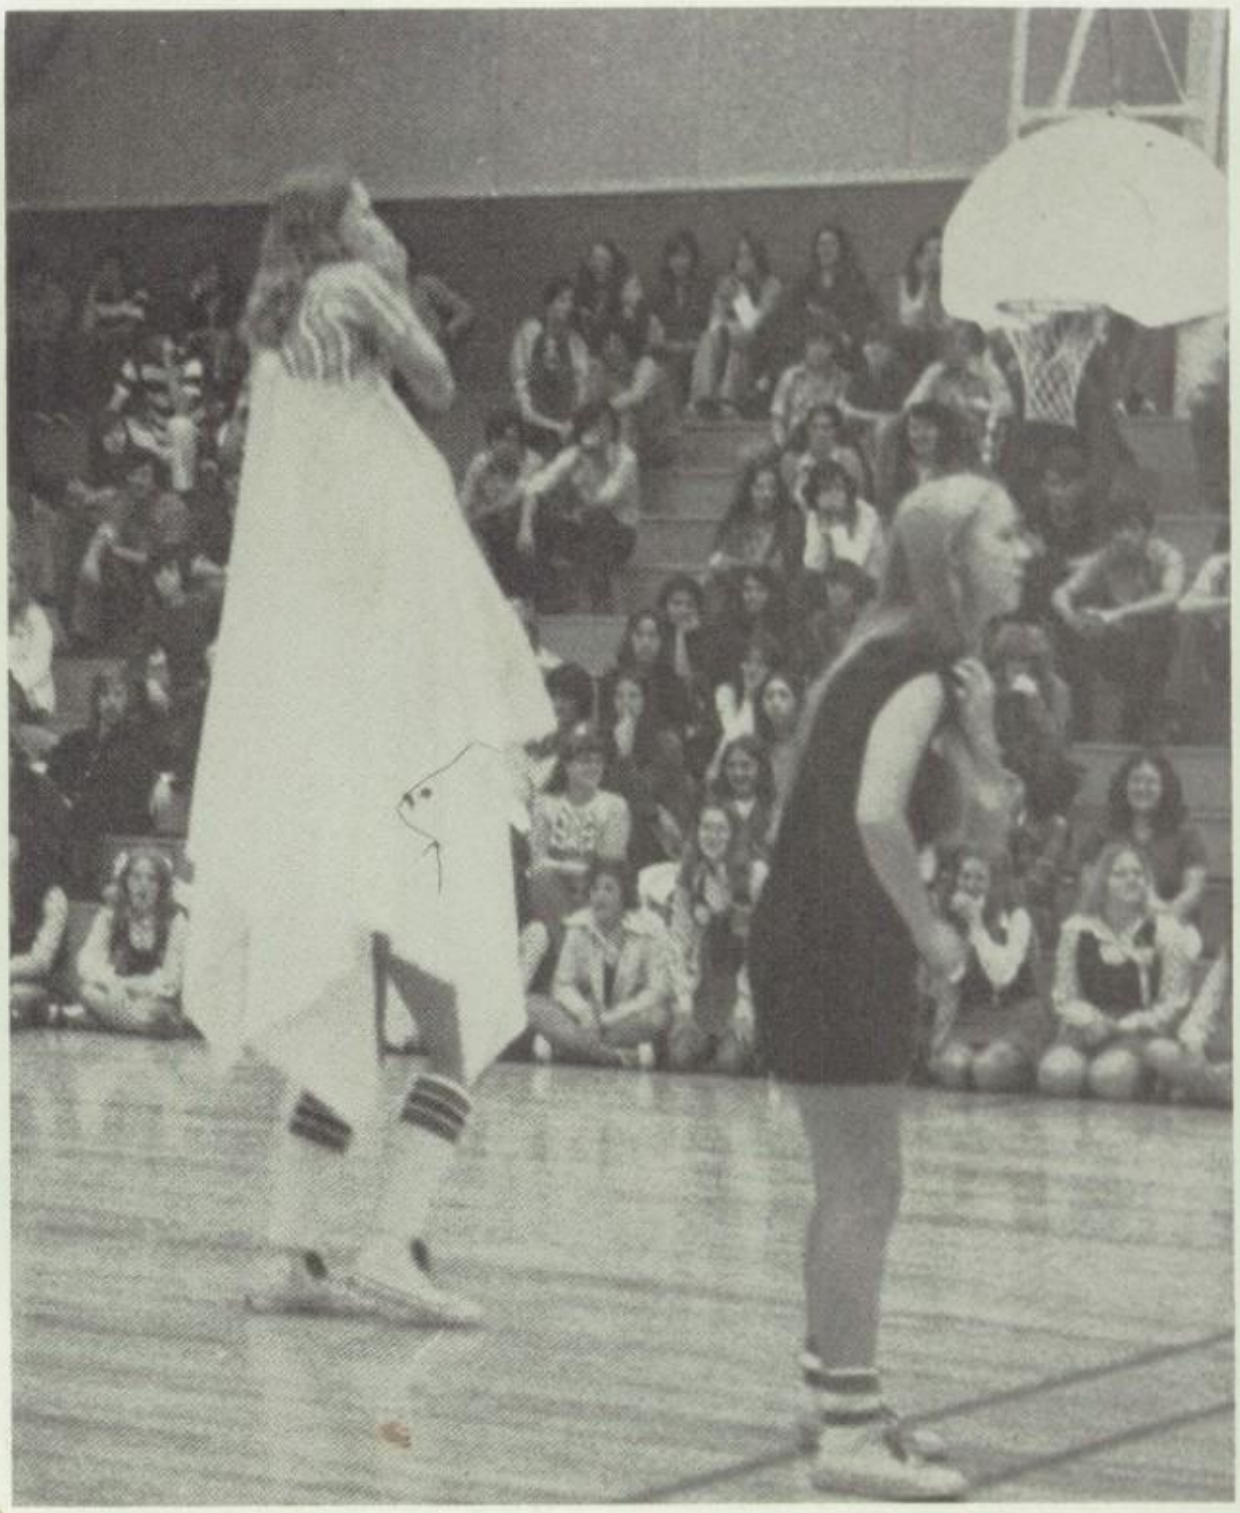
. . .

for some, but for others there are still hours of work to be done. Long hours of practice make THS organizations superior.





Indians Rich in Spirit



A lot of work goes into the planning and doing of spirit activities. We really outdid ourselves with door decorations and skits at pep rallies. THS returned to the fifties when the spirit theme was "Be-Bop the Eagles." Spirit flames, sold by BETA members, were a big success, too, because Indians are rich in spirit!!

OPPOSITE, TOP, FAR LEFT: Bo White's homeroom won the door decoration contest. OPPOSITE, TOP, RIGHT: Girl's basketball team did a skit about the Jena Giants. "The bigger they are, the harder they fall." TOP, LEFT: The Teachers showed us what a pep rally was like in the fifties. ABOVE, LEFT: Byron Vercher, Dawn Fletcher and Cathy Griffin got together on "Be-Bop" day. RIGHT: Bruce Lingenfelter points out the art department's entry in the door contest.

Although the final score may not show an Indian victory on the field, we have still won in many ways. The members of the homecoming court won a place in our hearts. The senior class won the decoration competition. Or, "winning" can simply mean having a good time at the dance.

ABOVE: Junior class representation of a Menard Eagle. ABOVE, RIGHT: Members of "Highway," who played at the homecoming dance. RIGHT: Theresa Jeansonne gets a big hug from her aunt, after being crowned homecoming Queen. OPPOSITE, BOTTOM: Seniors' winning display - "Memories of Homecoming '74."

A new phase added this year was the costume contest. Each class was given a particular era to portray by designing a costume. After the six finalists were announced, they reappeared to answer individual questions. The most exciting moment came when Miss Renae Grimes was crowned.

OPPOSITE, TOP: Lori Dunn and Jay Mayeux announced talent competition. OPPOSITE, BOTTOM, LEFT: Renae Grimes, talent runner-up. OPPOSITE, BOTTOM, RIGHT: Peggy Hebert, costume winner. Senior Personalities

The senior personalities are elected by the senior class each year. They are chosen on the basis of how well they fit one of the nine categories; most likely to succeed, most athletic, most versatile, most school-spirited, wittiest, most talented, neatest, cutest and most dependable.

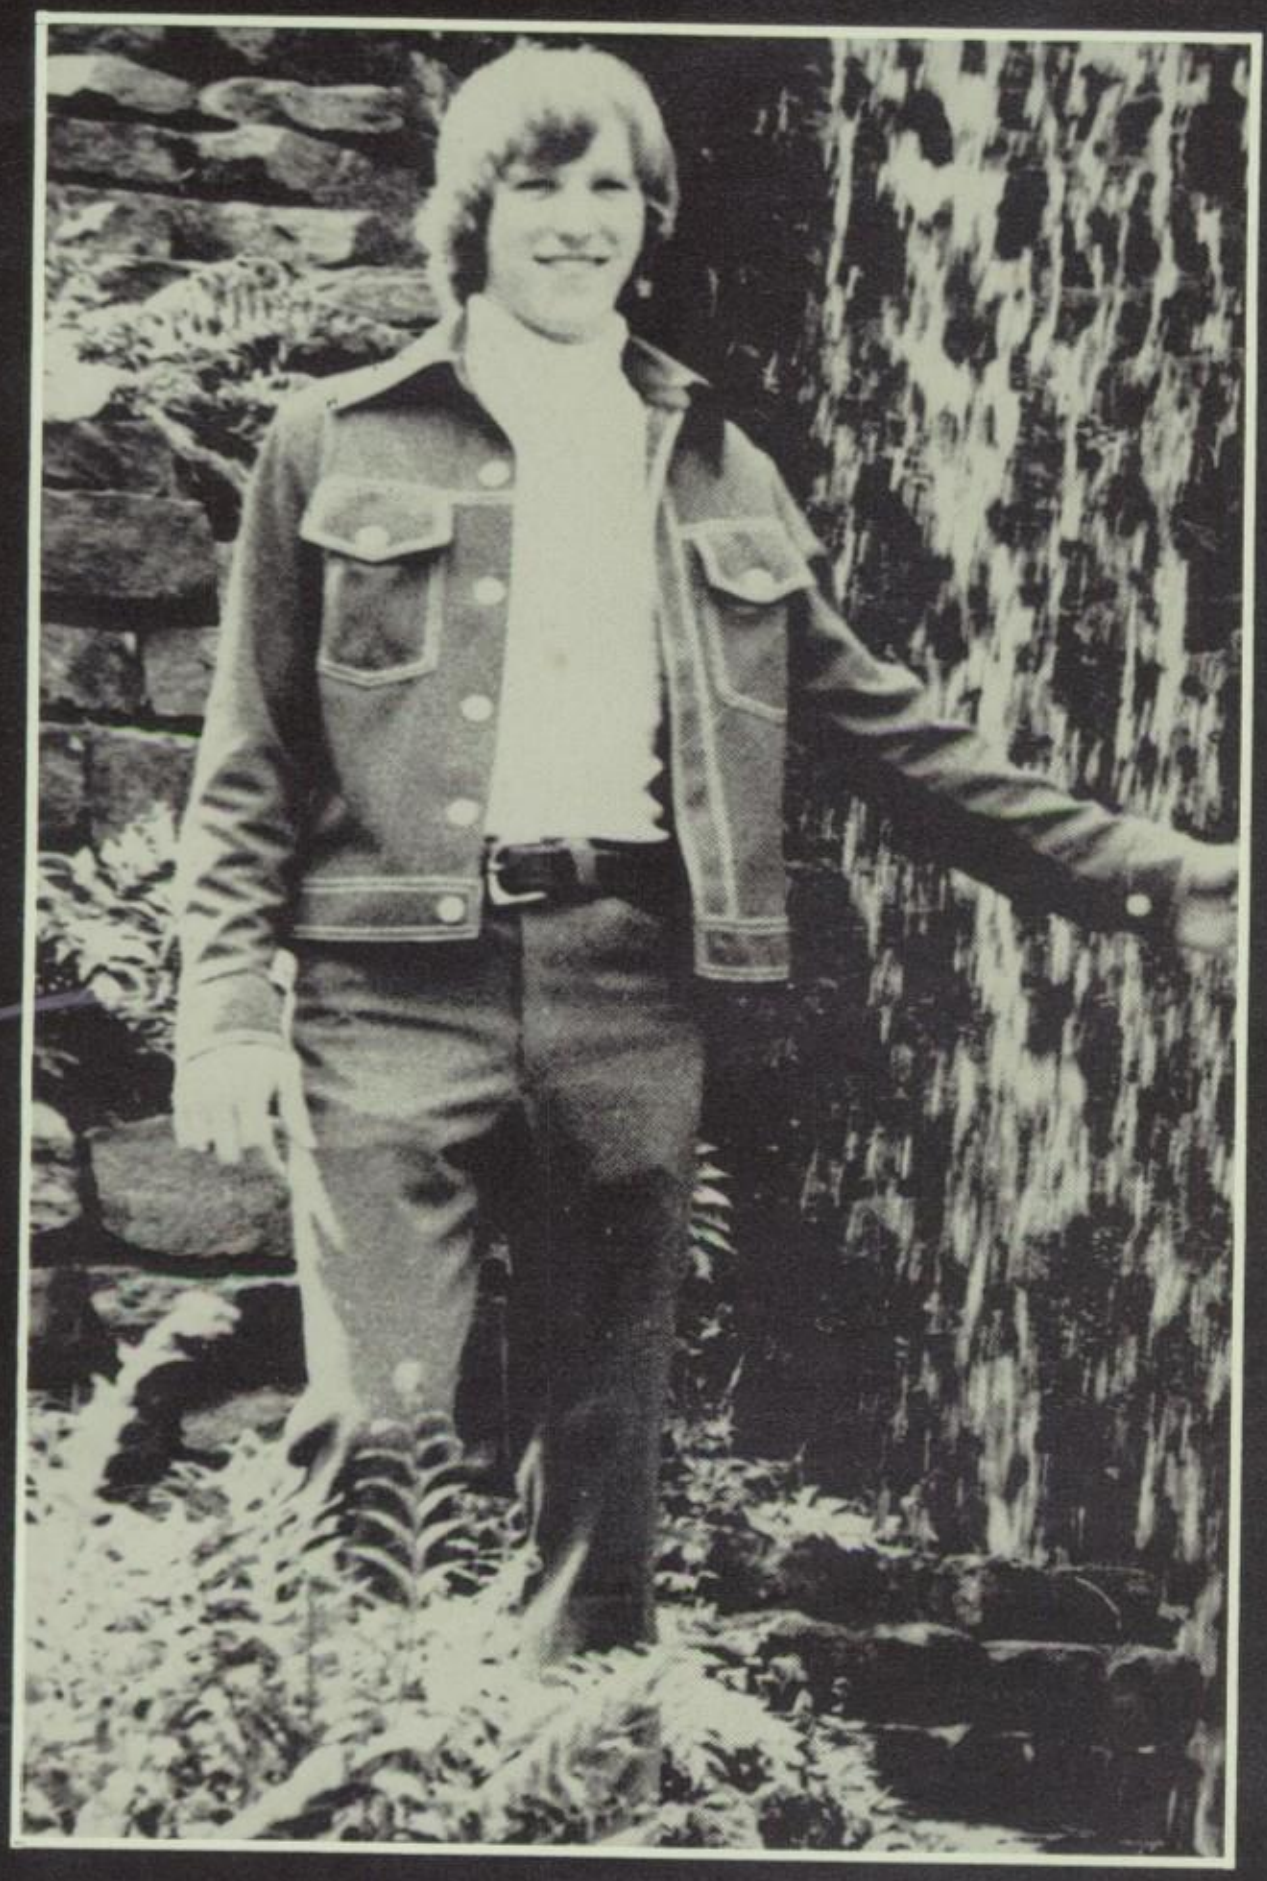
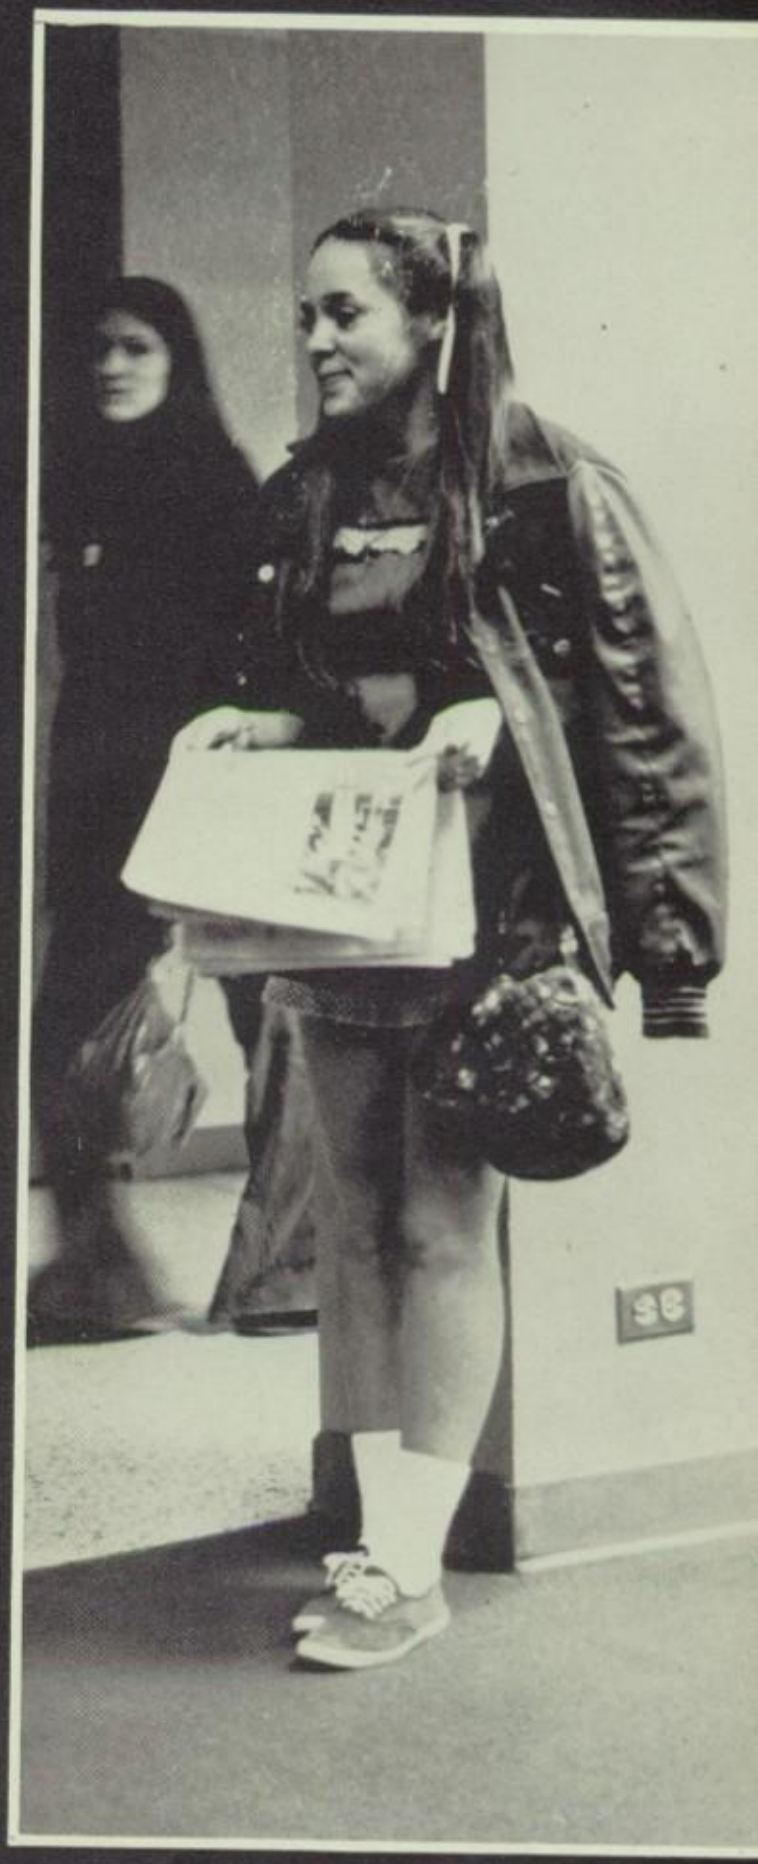
Mr. and Miss THS

Theresa Jeansonne
Wendell Sewell





It is a great honor to be chosen as Mr. or Miss THS. Being chosen means your peers, the entire student body, consider you to best represent their idea of great contribution to Tioga High. It means you have loved and worked for Tioga.

This year, Miss Theresa Jeansonne was voted Miss THS. Theresa has been a varsity cheerleader for four years, and is head cheerleader this year. She has sung in various chorus organizations for four years. Theresa has worked for Tioga as a student instructor and student council representative. She has represented her class for four years in the Campus Beauty pageant, and was crowned homecoming queen this year. Theresa's efforts have also given her the title of "Most Spirited Senior Girl."

Wendell Sewell, Mr. THS for 1975, has worked for Tioga's betterment, also. He has been a homeroom representative, a member of the BETA club for three years, and a member of the science club. Wendell took first place in the social studies fair in his junior year, and played football in his senior year. I am sure both Wendell and Theresa will always hold a special place in our hearts, and especially in the hearts of the 1975 seniors.

Senior 75

Seniors Receive Honors

At the close of the year, seniors suddenly begin to receive recognition for their many years of work . . . in the school, community, and even for the work they have done to present themselves at their best at all times. Although space does not allow us to picture everyone who is worthy of recognition, these two pages are a tribute to the efforts of the entire senior class of 1975 . . . and also a tribute to some of those who have received major senior honors.

The organization continued to maintain its tradition of spirit and pep at games and pep rallies.

Dance Line

This year the Dance Line continued to entertain the student body at games and pep rallies. The girls received great honors when they were asked to perform for the New Orleans Jazz Basketball game and for Sweet Sixteen. One of their best routines was to "The Entertainer." The girls donned red felt cheeks and long drawn-on lashes to get in the mood for this nostalgic ragtime routine. In short, the girls danced their way into our hearts.

Nine Little Indians

This year the "nine little Indians" were really a fired up group. They started out right by winning four superiors and two excellents at N.S.U. cheerleader camp. They showed so much spirit, they were awarded a coveted spirit stick. Out of ninety-two squads, they were chosen in the top ten per cent. Once school started, they were found working hard on spirit signs and gimmicks, skits and pep rallies. In October the cheerleaders helped capture first place in the Alexandria Mall spirit competition. The highlight of the year was their commercial for Tioga's new Rapides Bank.

47 Awards Captured at State Solo and Ensemble Meet

The THS marching band, under the direction of Mr. Cecil Trantham, put in long hours of practice and rehearsal to get the superior musical ability it has today. The band added spirit during our football season. The band marched on November 2, 1974, at Lafayette at a "Marching Contest for Champions." For their efforts, they were given a superior rating. Then, on November 9, 1974, the band traveled to Mansfield, to the last marching contest for the year. The band received a superior plus on that trip. A successful concert of area bands was sponsored by Tioga. Much recognition has been brought to Tioga for the fine work done by our band.

Ensembles — Busy People

The ensembles perform at various functions throughout the year. At Christmas the ensembles presented their annual program to the patients at Central State Hospital. The girls sang at a teacher's sorority luncheon in January, at a basketball halftime show, and at the graduation ceremonies. The mixed ensembles performed at Baccalaureate, and the boys ensemble performed at Award's Night Ceremonies. Much free time is sacrificed to make these ensembles such a success.

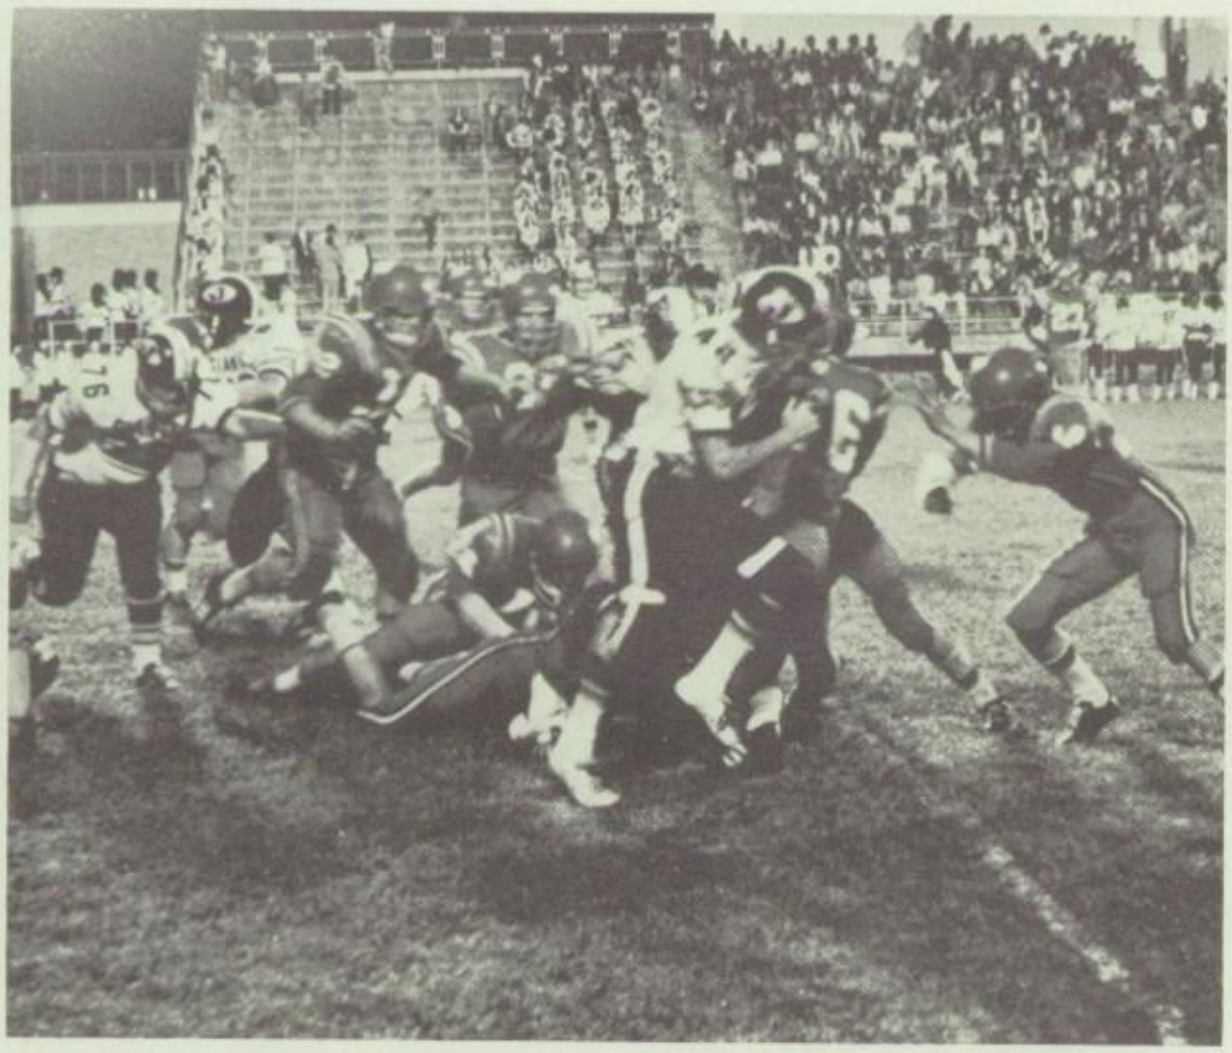
Teamwork



After four long weeks of summer practice, the Mighty Indians looked forward to the start of the 1974-75 football season. With six starting seniors returning, and a good stock of experienced juniors, the Indians' first outing at the Pineville Jamboree seemed to show a lot of promise for the coming year. Unfortunately, a few games later the Mighty Indians' pride took a fatal blow with the injury of one of their finest athletes, Chris Williams. From that time on, the Indians could only muster enough will to play, not to win. The Indians recorded their only victory at Jena during Jena's homecoming. The season ended with the Indians very disappointed but with many lessons well learned.

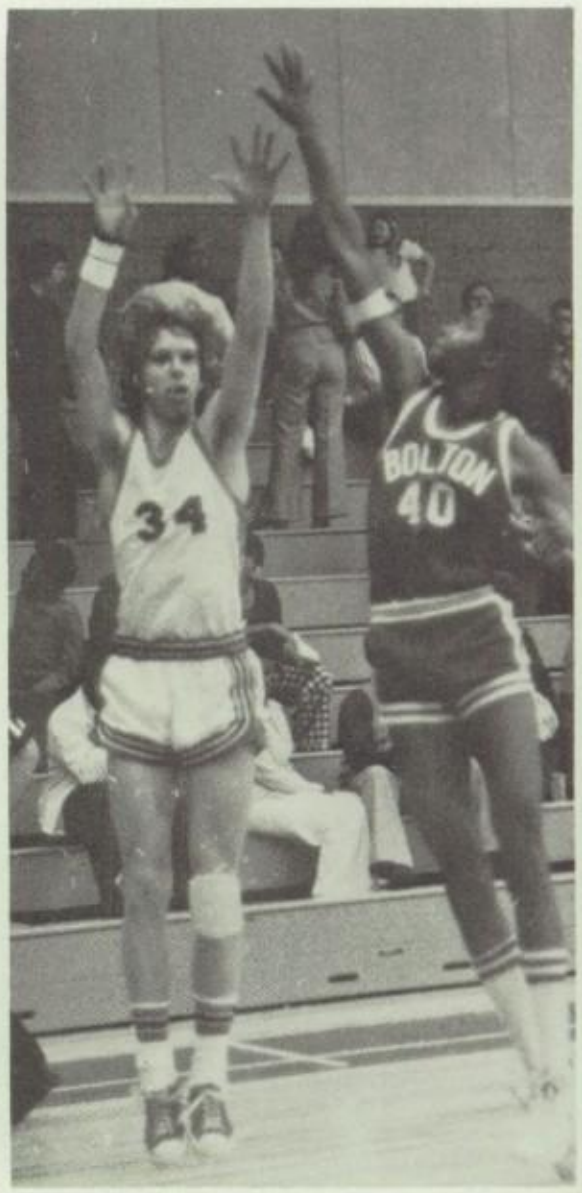
1974-1975 Indian Basketball



The 1974-1975 Indian cagers began the season with three non-district wins and high hopes. Unfortunately, the Mighty Indian team did not record a district win for this season. With the loss of only two lettermen, Coach Don Bates is regrouping the team and preparing for next year.

Indians Travel to Semifinals

For the first time in a long time, the THS Indians went to semifinals in baseball. It was a long season with twenty games, winning seventeen and losing only three. Only five starters will graduate, so Coach Mickey Campbell will aim for state again next year. Named to all-district were: Wayne Erwin, Davron Moreau, David Karisney and Kenneth Harrell. Terry Lofton and Chuck Gintz received honorable mention.

The track team's top performance for the 1975 season was given at Winnfield, where it finished second, nine points behind the winning Winnfield team. The eight qualifiers for Regionals were: Rusty Thornhill, Wayne Erwin, Kent Rolen, Lloyd Carpenter, Paul King, Rex Deville, John Tubre and Joey Waldron. Joey and Rex participated at the state meet. Lady Indians Second in District

The 1974-1975 Lady Indians posted their fourth consecutive winning season. But a defeat by Jennings in the first round of the state playoffs prevented them from competing in the Sweet Sixteen. The season opened with four returning lettermen and a group of eleven small, inexperienced, but dedicated young players. Through a unified team spirit and individual dedication to learning the game, these fifteen young ladies soon developed into a very competitive team.

Highlights of the year included winning the first place trophy in the Westlake Holiday Classic and second place in District 3 AAA. The team received additional recognition on the district level when Kay Ford and Debbie Dixon were named to the All-District first team and Vicky Dorn to the second team. Kay was also named Most Valuable player in the district. Statewide attention was retained when Kay was selected as a member of the Class AAA All-State Team (for the third consecutive year) and as a participant in the La. High School Assoc. All-Star game.

Academics

Administration Determines Course of School Activity

Without the leadership of Mr. Phillip White, principal, and Mr. Leon Snyder, assistant principal, Tioga High would be in mass chaos for the largest part of each school year. Mr. White coordinates activities at the school, and sees to it that the quality of all areas of education at THS remain high. Mr. White is one of the Indians greatest fans, and enjoys seeing Tioga students do well in sports and other extracurricular activities. Mr. Snyder often comes in contact with students in his role as mediator and "friend of the student." As secretaries, Mrs. Domico and Mrs. Baillio see to the smooth-running of the office. And finally, Mrs. Brunson and Mrs. Curtis, guidance counselors, see to it that difficulties with class schedules, testing, and admissions are made a little more bearable.

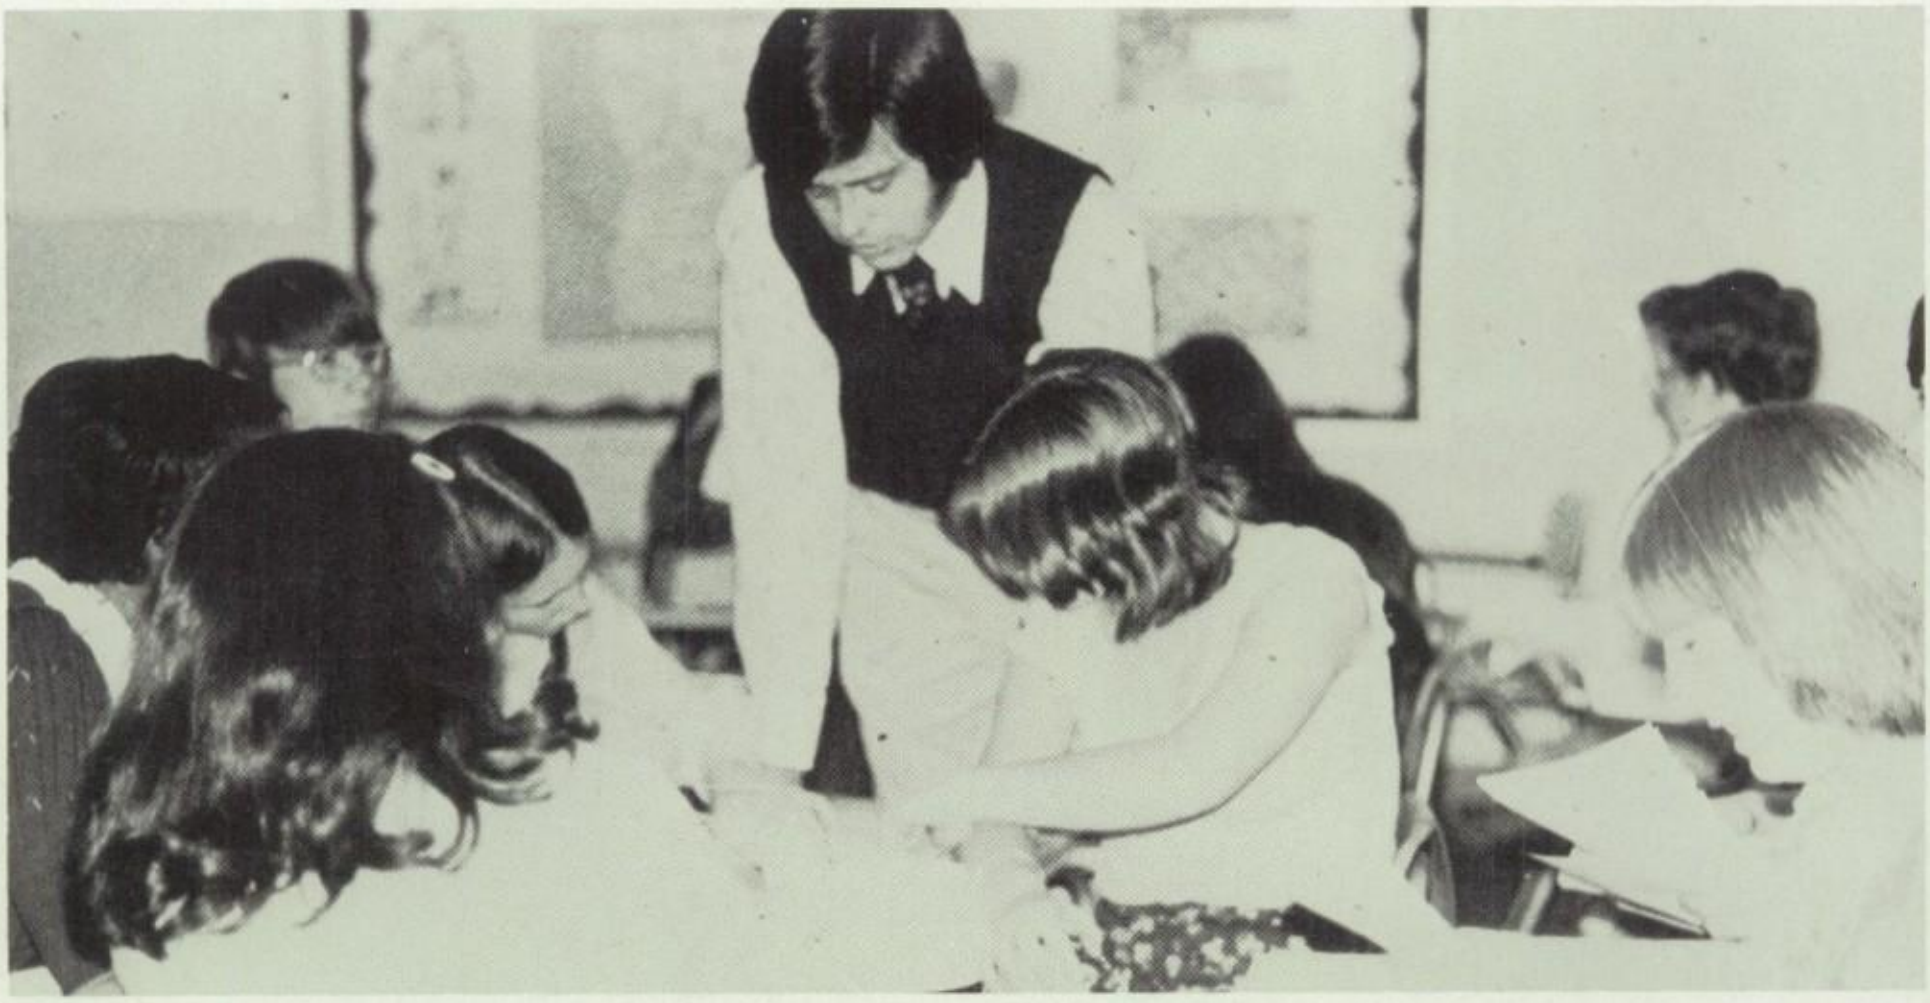
Social Studies Provides Insight Into Our Heritage



Social Studies includes a wide variety of topics; Economics, Sociology, Civics, American and World History, and two new added subjects this year - Political Science and Humanities. Throughout the high school years, two social studies are required, but students are well benefited by a wide knowledge in this field.

Mathematics — It All Adds Up

Math is, in a sense, a special interest field. Of course everyone needs math, but to some it means more than that. To some it means a life-time career. To give us the basics and a solid foundation in mathematic knowledge we depend on well-equipped math teachers. Representative of the whole math department is Mrs. Sisco, who received the title of "Outstanding Young Educator of the Year," from the Rapides Parish School Board. We are very proud of her.

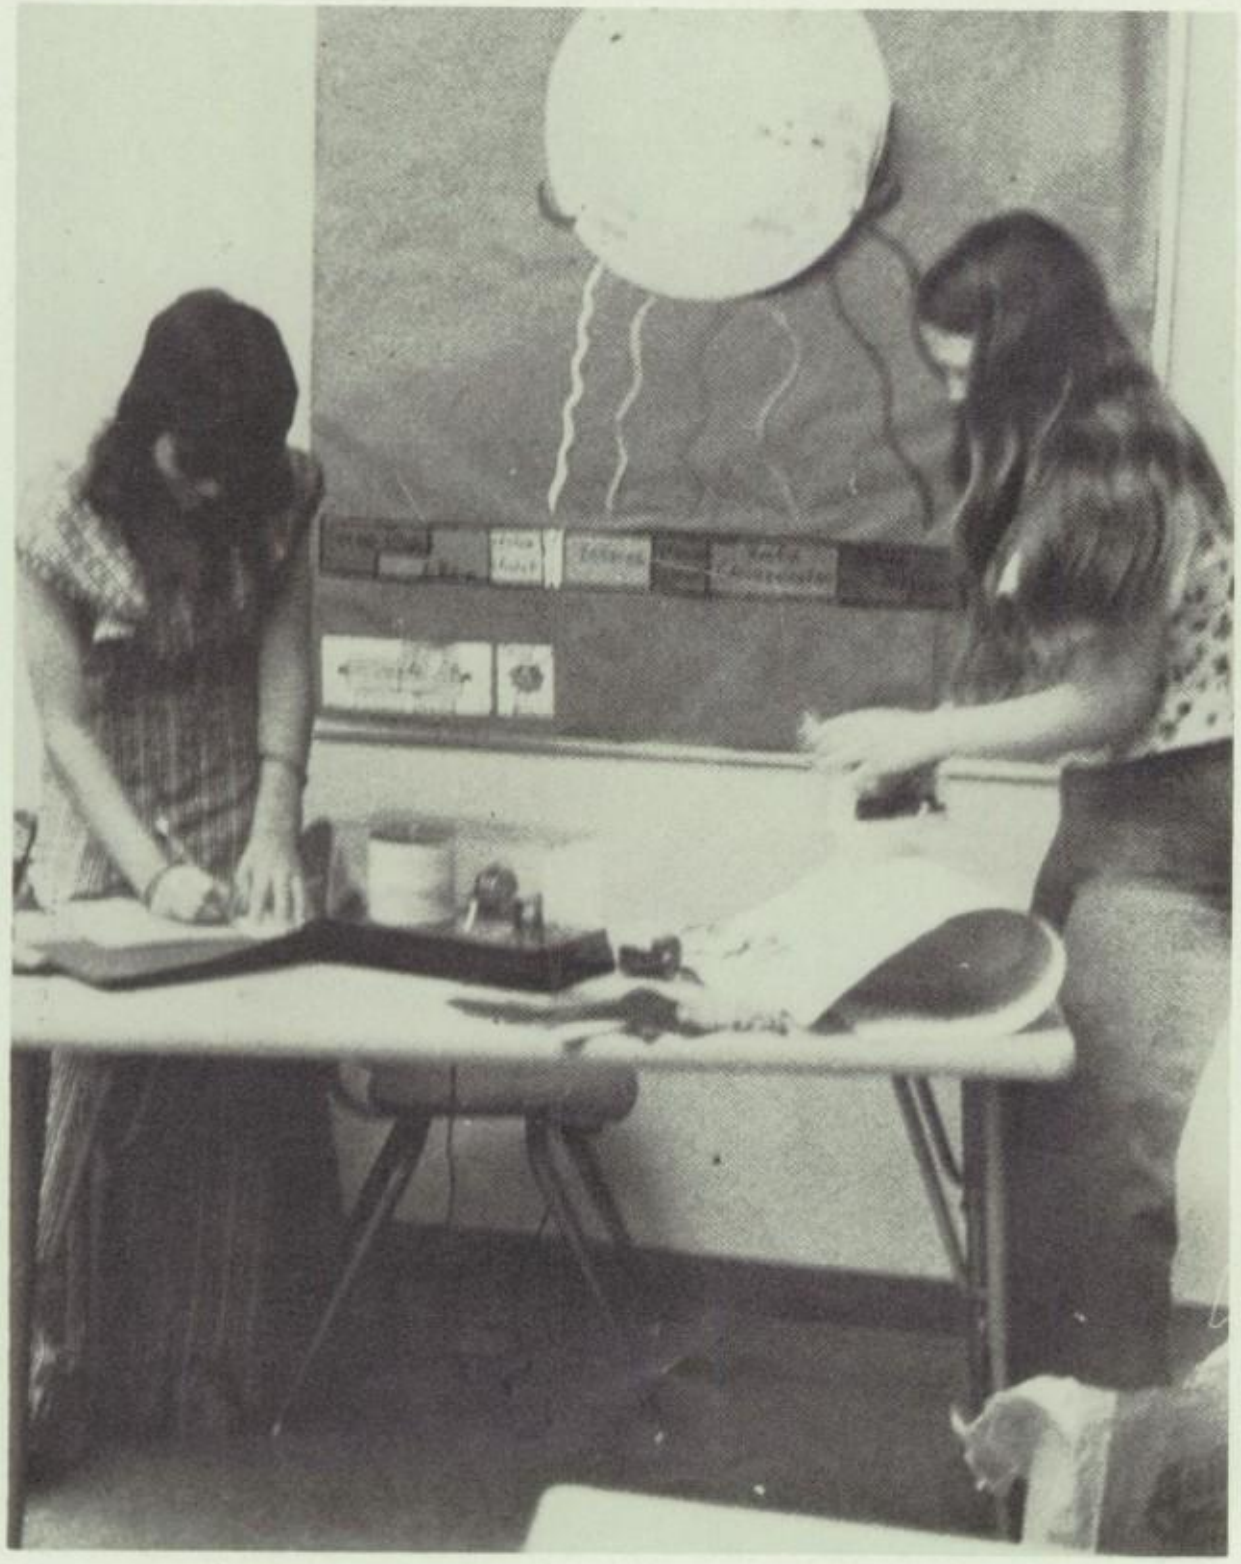
Putting Knowledge to Good Use — Science



Science is a program that requires skill, attention, and knowledge. Everyone needs a basic background in it, yet some care to make a career of it. These person's needs are taken care of by our well-trained science teachers. A new facet has been added for next year. Two new courses are being offered: Biology II and Anatomy, taught by Mr. Aycock and Coach Campbell, respectively.

Business Courses Teach Skills for Careers

Mr. Harper, Mrs. Snyder, Mrs. Delaney, and Mrs. Smith are the hard working and devoted teachers of the Tioga business department. Fundamental know-how is achieved in all the classes of the department. It is advisible for anyone wishing to secure a career in the business field to obtain a basic knowledge in each of these classes.

Home Economics Means Useful Skills

Home economics is a class much talked about and enjoyed by both the males and females at our school. The wide variety of offerings in this course include cooking I and II, sewing I and II, home and family living, and housing. Mrs. Robertson and Miss Compton stress making these courses educational and interesting to all students.

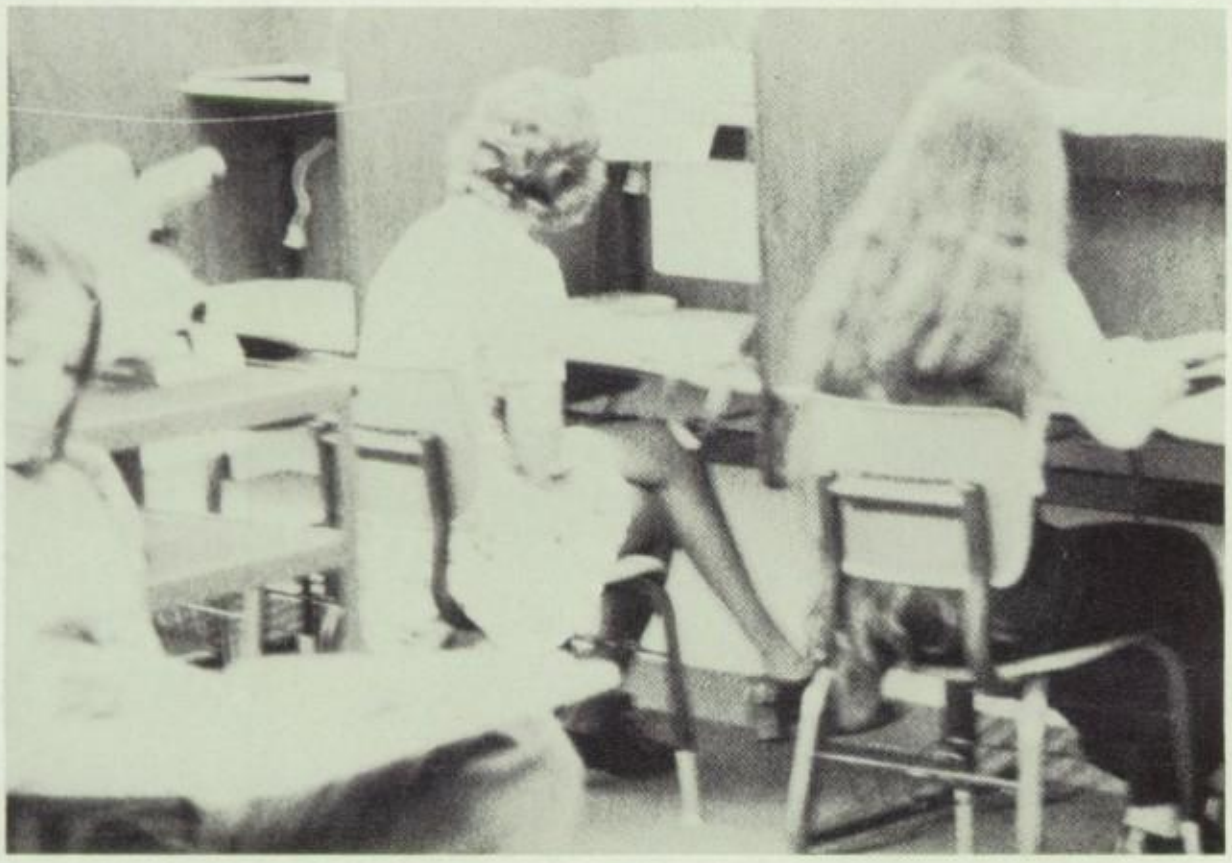
English Is Essential to Education



English is essential to education because it builds our vocabulary, teaches us good public speaking, and helps our reading ability. All three facets are accomplished by the different sections of the English department. English I, II, III, and IV prepare the student for college and general life conditions. Taught by our capable teachers, these classes can be interesting as well as informative. Speech and reading also come alive with the help of our speech teacher - Mr. Wiltse, and our reading teachers - Mrs. Mayeaux and Mrs. Phillips.

Physical Education

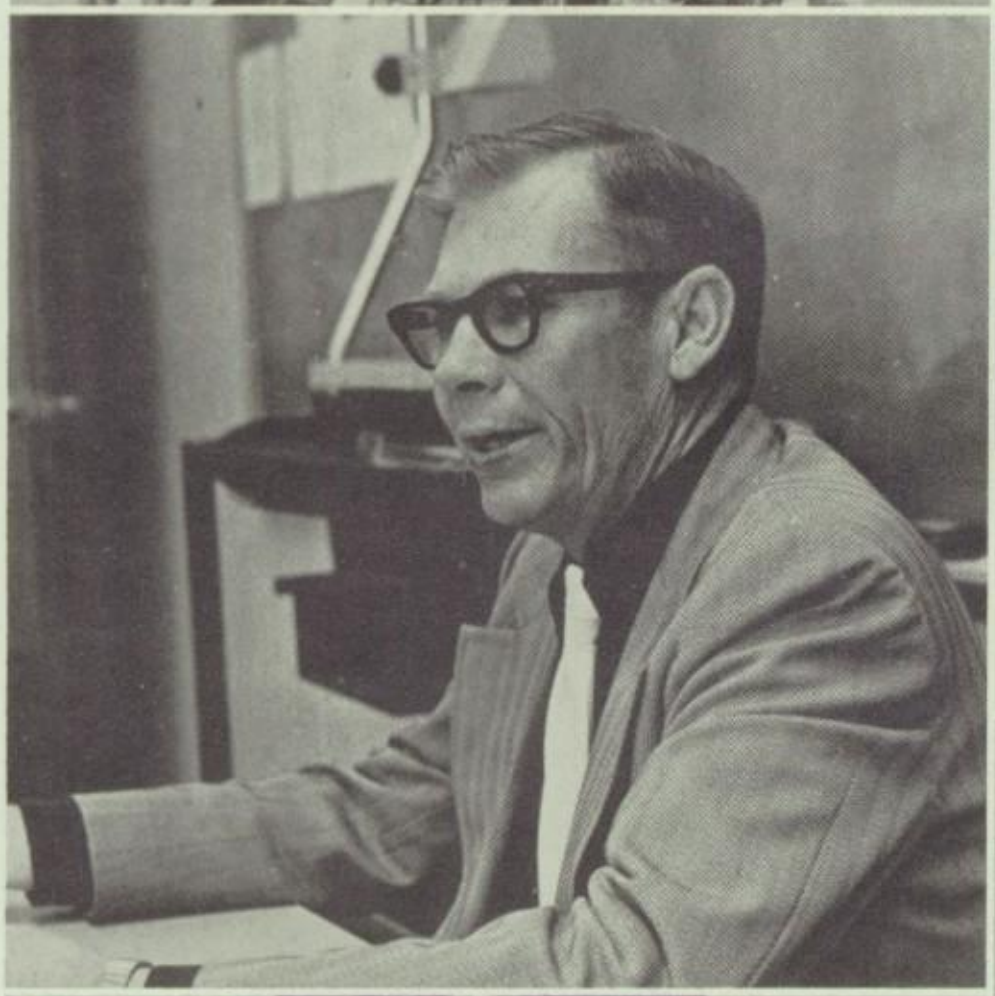
The Tioga Boys' P.E. department is one of the most important phases of our school. It helps the boys build their minds as well as their bodies. Our capable coaches are willing to spend their time to help these boys reach their full capacity. P.E. also offers inner class competition which gets everyone enthusiastically involved, whether or not the student is a varsity athlete.

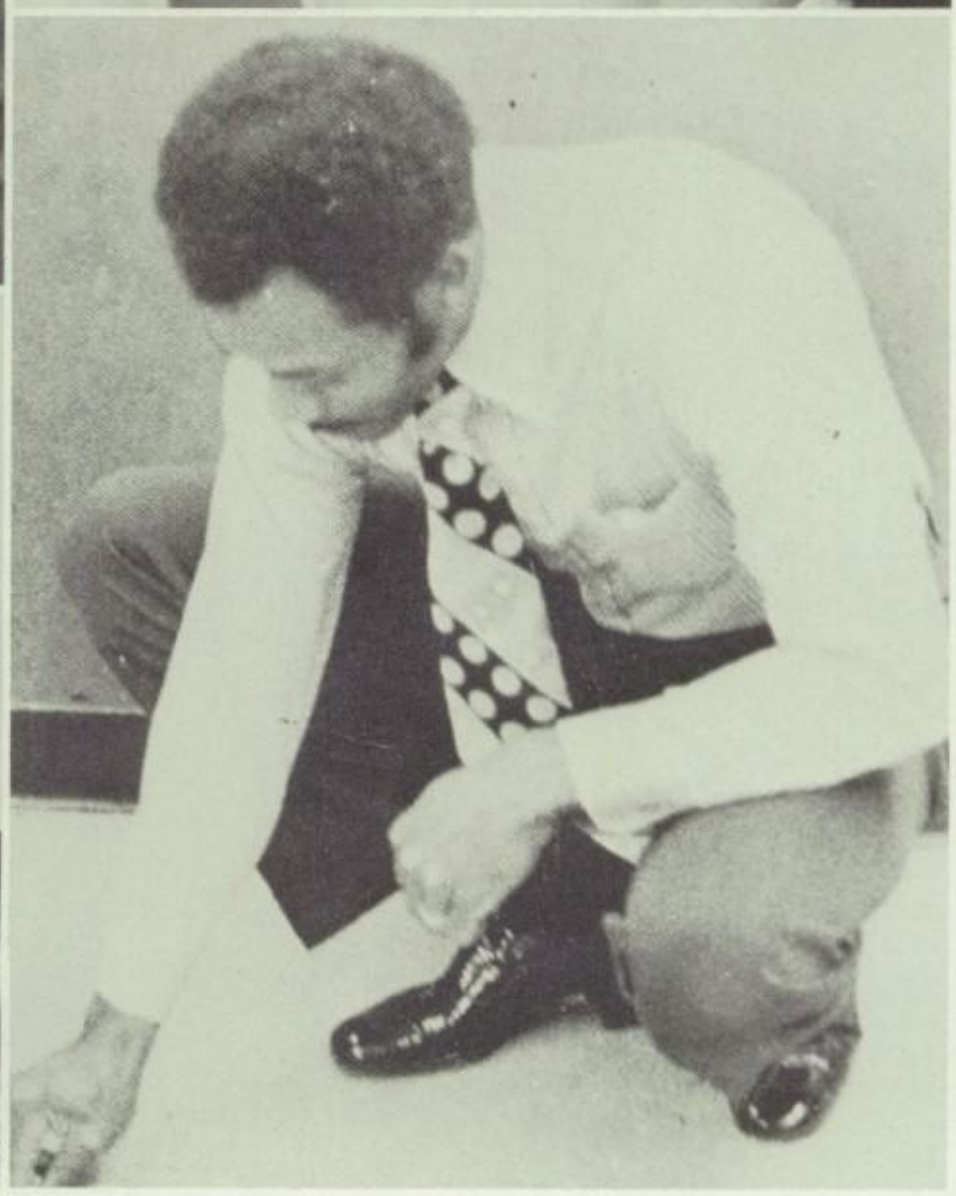
The Tioga Girls' P.E. department is known parish-wide for its many accomplishments. We have three of the best teachers possible - Mrs. Betty O'Kelly, Mrs. Kathy Holloway, and Mrs. Rose Franklin. Girls learn many skills and routines in the classes that they may use throughout their lives.

TOP: TEACHERS: David Arnold, Don Bates, Richard Bardwell, Mickey Campbell, Rose Franklin, Kathy Holloway, Jerry Ingram, Betty O'Kelly, and Troy Prestridge.

Familiar Faces

These are a few of the many faces we, as students, come in contact with every day. They are the faces of those willing and devoted teachers who are always around to give us the assistance we need in learning and growing here at THS. Many teachers spend long hours, with relatively few rewards, as sponsors of various clubs and activities. They help to make our years at Tioga memorable ones. We appreciate and admire them for their devotion and for the love they show towards their students.





They Make Beautiful Music Together

Tioga's music department is divided into two parts - chorus, which includes singing classes as well as music theory, and band, offering a variety of classes. Under the direction of Mrs. Mabel Smith and Mr. Cecil Trantham, both groups made beautiful music for 1975. The band planned to take a trip to Mexico where they would give a concert, and the mixed chorus was invited to sing in Guinn auditorium on the campus of Louisiana College. During music week, the two groups presented a joint concert for the student body.

Resource Center Adds to Education

The resource center makes home, individual, and outside studies possible for the student. Each year the resources available grow and improve. Not only are books and magazines available to the student, but also tapes, records, films, and even microfilm. It is the task of our librarians, Mrs. Roshto and Miss Gates, to keep these things in good order and flowing through the student body.

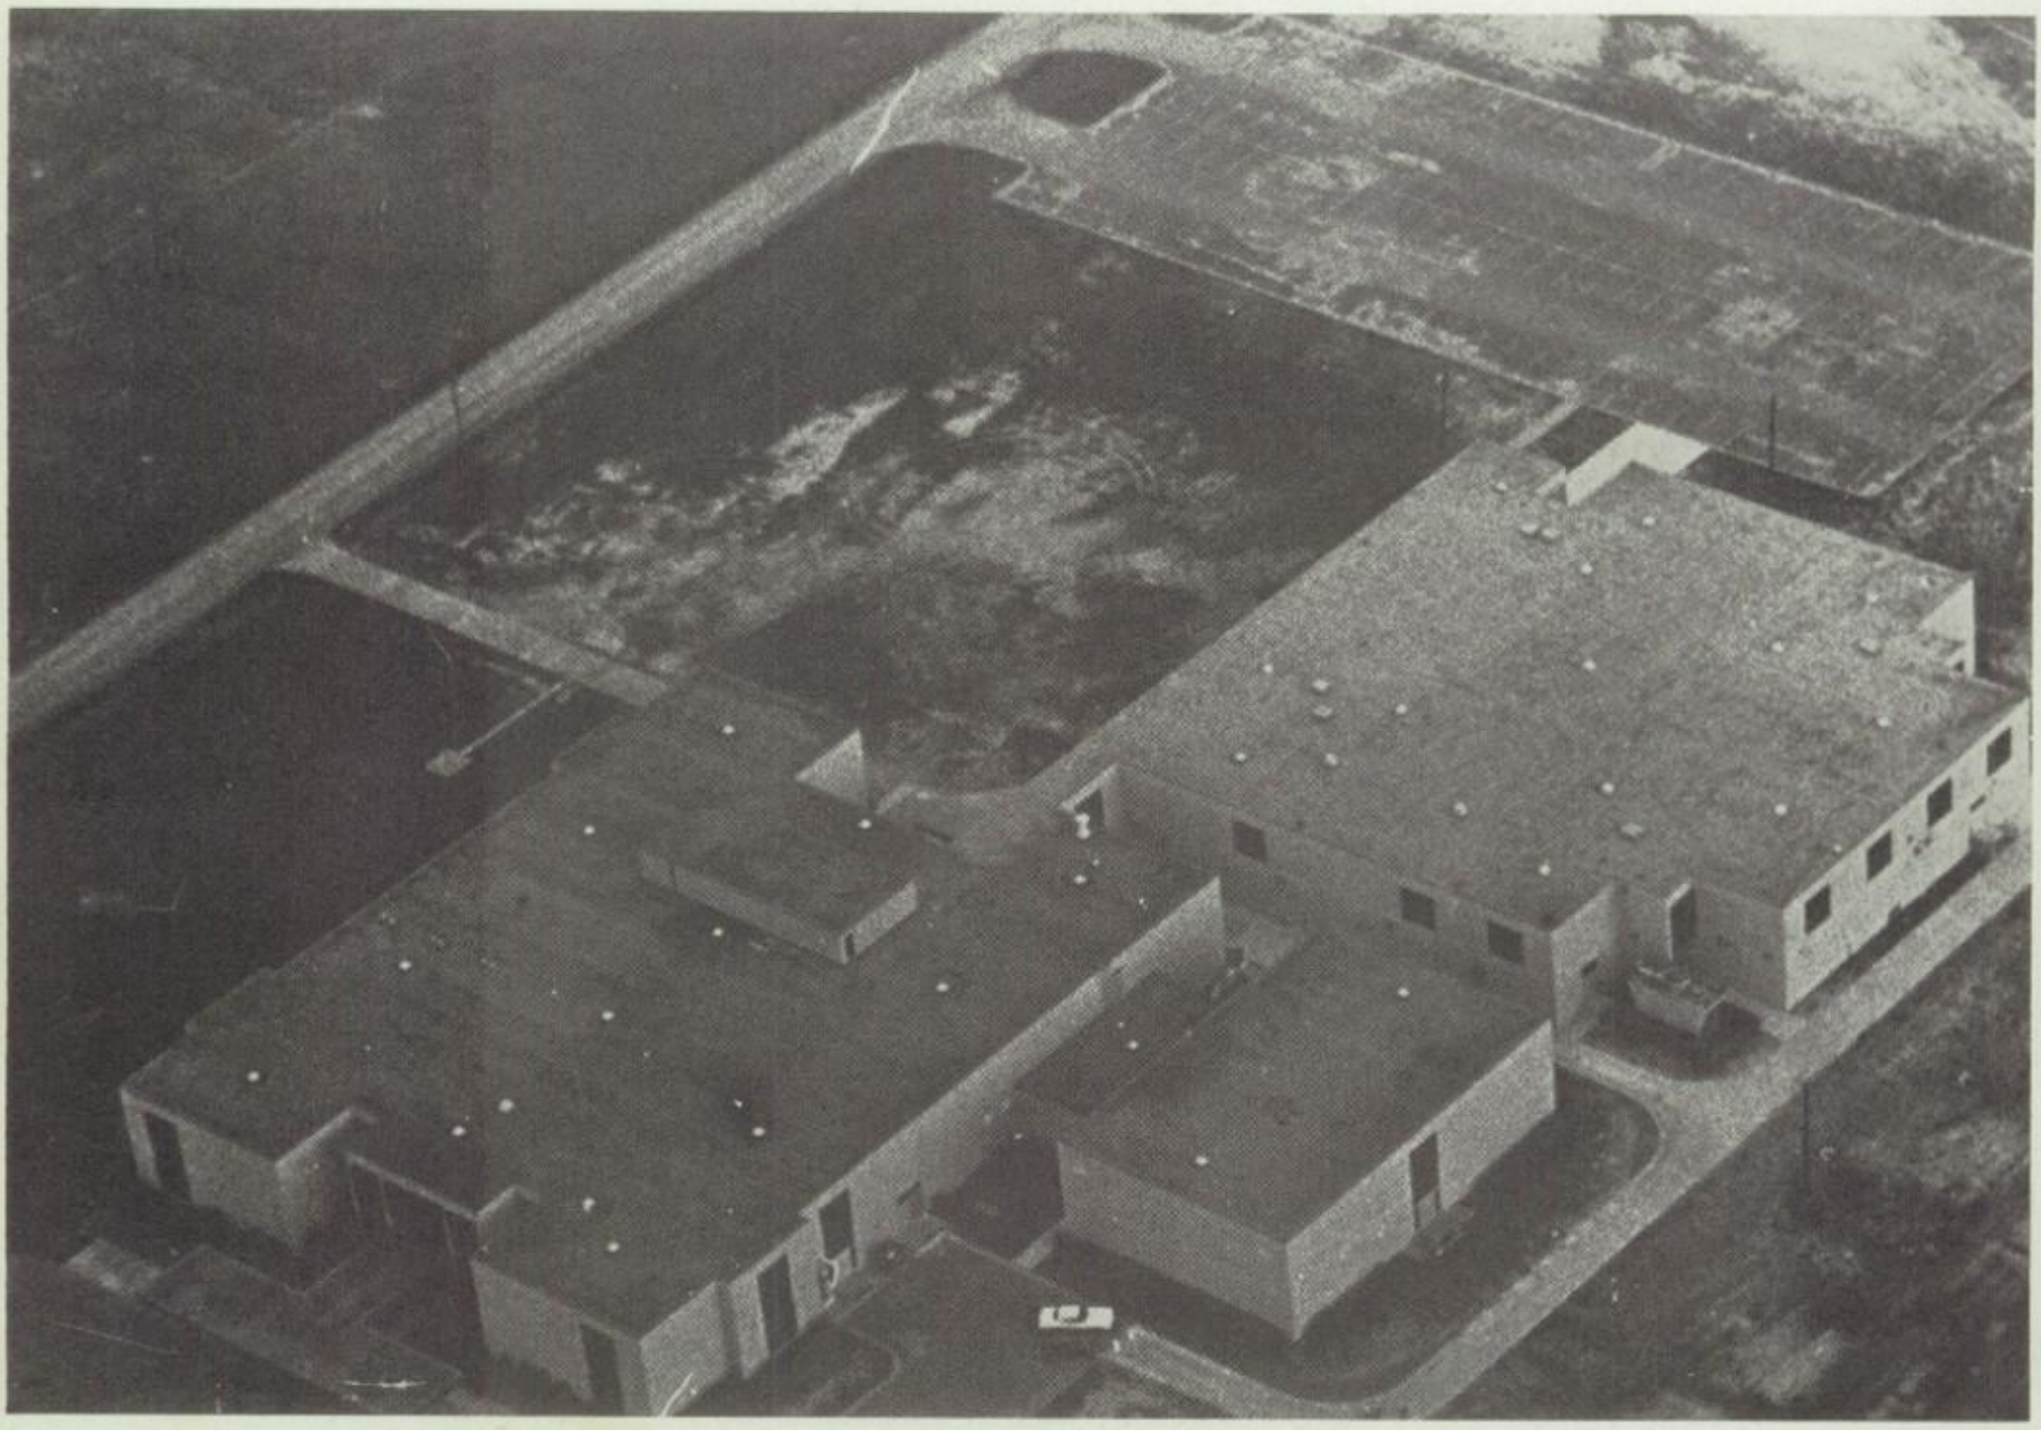
In Memory of Our Classmate,

Billy Stinson



As Time Goes On . . .

Well, Tioga, another year has gone by. Now some of us will be leaving you — for college, career, or moving to another area. I can't call back all the happy times I've had inside of you — the pep rallies, games, assemblies, dances — but I can remember those good times. As time goes on, and I grow up and leave you far behind me, you'll still be right with me — in my most treasured memories. I love you, old school, but I've still got a long way to go . . .

Song "The Way We Were" used with apologies to Barbara Streisand and friends.

When I am dead, my dearest,
Sing no sad songs for me;
Plant thou no roses at my head,
Nor shady cypress tree.
Be the green grass above me
With showers and dewdrops wet;
And if thou wilt, remember,
And if thou wilt, forget.

I shall not see the shadows,
I shall not feel the rain;
I shall not hear the nightingale
Sing on as if in pain.
And dreaming through the twilight
That doth not rise nor set,
Haply I may remember,
And haply may forget.
